RULES OF THE ARIZONA HOUSE OF REPRESENTATIVES 57th LEGISLATURE 2025-2026

RULE 1

MEMBERS

A. The House may punish its members for disorderly behavior and may, with the concurrence of two-thirds of the members of the House, expel any member (Arizona Constitution, Article IV, Part 2, Section 11). A violation of any of the House Rules shall be deemed disorderly behavior. When a roll call vote is ordered on the floor of the House and subject to the provisions of Rules 6 and 14, members are required to vote after a reasonable time, as determined by the Chair, and may be punished for disorderly conduct if the member fails to vote after a reasonable time.

B. When any member shall be guilty of a breach of any of the Rules and Orders of the House, and the House has determined that he has so transgressed; he shall not be permitted to vote or speak, except by way of excuse for the same, until he has made satisfaction.

C. Only members may present a complaint to the Ethics Committee Chairman regarding the behavior of any member.

D. Any member having obtained leave of absence and having in his possession papers relative to business before the House shall leave same with the Chief Clerk.

RULE 2

ANNUAL SESSIONS

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The Speaker may by declaration authorize the extension of the session for a period not to exceed seven additional days. Thereafter the session can be extended only by a majority vote of the House.

B. If not considered in the regular session, the general appropriations bill, the general capital outlay bill and the university capital outlay bill may be considered each year in a special session which shall be called only for that purpose.

RULE 3

OFFICERS AND EMPLOYEES

A. The House shall elect as an officer of the House a Speaker, and shall elect a Chief Clerk and such other employees as the House directs.

B. All House employees shall be under the immediate direction of the Speaker of the House, who shall have the power to designate the person who shall be in immediate supervision of the different departments.

C. Employment, compensation and termination of personnel shall be determined by the Speaker.

D. Employees of the House are prohibited from lobbying during the term of their employment, and a violation of this Rule will be sufficient cause for the summary discharge of the offending employee.

E. No person shall be employed as a House employee who is an agent for the prosecution of any claim against the state or who is interested in such claim otherwise than as an original claimant and it shall be the duty of the Speaker to report to the House any violation of this Rule.

RULE 4

THE SPEAKER

A. The Speaker shall take the Chair at the hour to which the House shall have adjourned, immediately call the members to order, cause the roll to be called, and if a quorum be present, cause the Journal of the proceedings of the last day's sitting to be read, if requested by a majority of the members of the House.

B. The Speaker shall preserve order and decorum; decide all points of order subject to an appeal to the House, on which appeal no member shall speak more than once, except by permission of the House; may speak to points of order in preference to other members; and may vote in all cases.

C. The Speaker shall sign all bills, resolutions, memorials, addresses, writs, warrants and subpoenas issued by order of the House.

D. At each session the Speaker shall announce the Order of Business in conformity with Rule 7.

E. The Speaker may appoint a member as Speaker Pro Tempore to perform the duties of the Speaker. In his omission to make such appointment, the House shall proceed to elect a Speaker Pro Tempore to act during the Speaker's absence.

F. The Speaker shall have the general control of the House Chamber and the corridors, passages and committee, hearing and staff rooms of the House of Representatives and all other matters which pertain to the House of Representatives' building and related parking lots. The Speaker shall promulgate a written code of conduct and a written harassment prevention policy applicable to staff.

G. All debts incurred by the House of Representatives, either during session or between sessions of the Legislature, shall be paid by claims drawn on the Finance Division; and all claims so issued shall be signed by the Speaker.

H. The Speaker is authorized to call meetings of standing and select committees of the House during periods when the House is not in session and to approve claims for travel and subsistence incurred by members of such committees in attendance thereon, as provided by law.

I. The Speaker shall be responsible for authorizing the accounts for the pay, mileage and subsistence of members and employees, and pay them as provided by law.

J. Every bill, resolution and memorial (hereinafter "measure"), except death resolutions and Senate bills to be substituted on Third Reading pursuant to Rule 7(C), shall automatically be assigned to the Committee on Rules at the time of assignment to another standing committee without action upon the part of the Speaker.

K. The Speaker is authorized to bring or assert in any forum on behalf of the House any claim or right arising out of any injury to the House's powers or duties under the Constitution or Laws of this state.

RULE 5

THE CHIEF CLERK

A. The Chief Clerk shall keep the Journal of the House and enter therein the record of each day's proceedings, including every question of order which shall be decided on appeal, with the decision thereon, and the hour of adjournment.

B. The Chief Clerk shall prepare copies of the Committee of the Whole Calendar and deliver the same in paper form or electronically to the members, and prepare such other memoranda as the House or Speaker may direct.

C. The Chief Clerk shall transmit to the Senate every bill or other measure to which concurrence is necessary immediately after its passage unless the House shall otherwise direct.

D. The Chief Clerk shall transmit all messages from the House to the Senate and Governor, unless the House shall otherwise direct, and shall perform such additional duties as may be assigned by the House or Speaker.

E. The Chief Clerk shall maintain a current reporting of the House action on all measures and shall make such reporting available on the House website.

F. The Deputy Chief Clerk shall, in the absence of the Chief Clerk, perform the duties of the Chief Clerk.

RULE 6

ROLL CALL, QUORUM, CALL OF THE HOUSE

A. Every member shall be present within the Hall of the House during its sitting, unless excused by the Speaker prior to roll call or necessarily prevented, and shall vote on each question put, unless the member has a personal financial interest in the question, as set forth in Rule 34 or unless the member is excused from voting in accordance with Rule 14.

B. Upon every roll call the names of the members shall be called alphabetically by surnames. When members have the same or similar surnames, the designation of the district or first initial shall be added.

C. The majority of the members of the House shall constitute a quorum to do business; but a smaller number may meet, adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as the House may prescribe. The House shall not adjourn for more than three days between the day of adjournment and the day of reconvening, nor to any place other than that in which it may be sitting, without the consent of the Senate (Arizona Constitution, Article IV, Part 2, Section 9).

D. The purpose of the Call of the House is to compel the attendance of absent members.

E. A motion or demand for a Call of the House is not debatable or amendable and may not be laid on the table, postponed, referred to committee or have other subsidiary motions applied to it, other than to recess or adjourn.

F. When no quorum is present, a Call of the House takes precedence over all other motions. Any member may raise the question of no quorum; and if a quorum is not present, the House must either order a Call of the House, recess or adjourn. The motion for a Call of the House is agreed to by a majority of those voting, but may not be ordered by fewer than 10 members including the Speaker.

G. When a quorum is present, a Call of the House ranks as a "question of privilege" and may be ordered by a majority of the members voting.

H. When a Call of the House has been ordered, the doors are closed, the Chief Clerk calls the roll of members and notes the absentees. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the House are present, and present them at the bar of the House, whereupon the members shall be noted as present, discharged from custody, be given an opportunity to vote; and their vote shall be recorded.

RULE 7

ORDER OF BUSINESS,

SUBSTITUTION OF SENATE MEASURES FOR HOUSE MEASURES

A. The House shall convene at the call of the Speaker each day during legislative session unless a different time or day is fixed by the Body. Unless the Body directs otherwise, the daily Order of Business shall be as follows:

1. Roll Call
2. Prayer
3. Pledge of Allegiance
4. Approval of the Journal
5. Petitions, Memorials and Remonstrances
6. Reports of Standing Committees
7. Reports of Select Committees
8. Business on the Speaker's Desk
9. Bills and Other Business from the Senate
10. Motions to Discharge Committees
11. First Reading of Bills
12. Second Reading of Bills
13. Third Reading of Bills
14. Unfinished Business
15. Committee of the Whole
16. Disposition of Business from Committee of the Whole
17. Orders of the Day

B. At any time after the reading and approval of the Journal any member may authorize a motion to be made that the House go into Committee of the Whole for the consideration of bills raising revenue or the general appropriations bill.

C. When Senate measures are received which are identical to House measures which have already been favorably reported by the Committee of the Whole, they may be substituted for such House measures on Third Reading.

D. Business shall be taken up and shall be considered only when the class to which it belongs shall be declared to be in order. Questions of privilege including introduction of guests shall be in order as provided in Rule 25(B).

E. All questions relating to the priority of business shall be decided by a majority of those voting without debate.

F. When multiple legislative sessions are held on one legislative day, the Prayer and the Pledge of Allegiance under the Order of Business in subsection A of this Rule are required to be followed only for the first session of that day.

RULE 8

BILLS, RESOLUTIONS, MEMORIALS,

ENGROSSED COPIES, AMENDMENTS

A. Every bill, resolution and memorial shall be read by sections on three different days, unless in case of emergency, two-thirds of the House deem it expedient to dispense with this Rule. The vote on Third Reading and Final Passage of any measure shall be taken by ayes and nays on roll call. Final Passage shall be the final disposition of a bill by the House (refer to Arizona Constitution, Article IV, Part 2, Section 12).

B. Measures may be introduced by a member by presenting copies of such measure to the Office of the Chief Clerk. The Chief Clerk shall have 24 hours to process such measure preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the measure. Introductions "by request" shall be so designated. A measure introduced in the House may be cosponsored by Senate members. A measure shall only have one prime sponsor; all others shall be designated as cosponsors. A House member's cosponsorship may be withdrawn by that member from any House measure that is in possession of the house. Cosponsorship withdrawal is irrevocable. Following an effective withdrawal of cosponsorship of the measure, the member shall not be identified as a sponsor of the measure on any subsequent calendars, agendas, reports, orders or other publications of the House. Withdrawal of cosponsorship shall be effective if all of the following apply:

1. The member gives a written statement of withdrawal in the form prescribed by the Chief Clerk, delivering the statement to the Office of the Chief Clerk and a copy to the Engrossing Clerk.

2. The measure has not been brought for a vote on Third Reading of Bills.

C. Measures may be introduced during the first 29 days of a regular session and during the first 10 days of a special session. In each case, measures must be submitted to the Office of the Chief Clerk by 5:00 p.m. on the final day. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Committee on Rules. Every measure shall have one prime sponsor. A member may not be the prime sponsor of more than seven bills introduced after 5:00 p.m. on the fourth day of each regular session. For purposes of this Rule the first name on a measure shall be considered the prime sponsor.

D. Measures may be prefiled by any member-elect for introduction in the first regular session during the period following the filing of the certification of election until the first day of the regular session. Measures may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Measures may be prefiled for introduction in any special session during the period following the Governor's proclamation until the first day of the special session, such measures being germane to the call.

E. A measure shall be prefiled in the same manner prescribed for introduction. Measures prefiled for introduction pursuant to this Rule shall be deemed to have been actually introduced on the first day of each regular or special session.

F. Introductory sets are the sole responsibility of members of the Legislature. Members are exclusively responsible for carrying introductory sets, seeking signatures and submitting introductory sets in the Office of the Chief Clerk.

G. Measures accepted for introduction shall be entered in the Journal by the Chief Clerk.

H. The original of a measure shall be designated by blue backing, marked "original" and shall remain in the possession of the Chief Clerk. Copies shall be distributed as the Speaker directs.

I. All measures prepared for introduction which propose to add to the statutes or amend existing statutes shall show the proposed new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case) lined through.

J. On First Reading of Bills, the measure shall be referred to the Chief Clerk for printing. The Speaker shall determine the number of measures to be duplicated.

K. On First Reading of Bills, all measures shall be referred by the Speaker or the Speaker's designee to appropriate committees. All amendments proposed by the committee shall be separately reported to the Office of the Chief Clerk. Each committee shall report each measure it carefully considers back to the House with such recommendations as may be deemed proper. If the Speaker designates his referral authority pursuant to this Rule to any member of the House other than the Speaker Pro Tempore the designation shall be in writing, state the period of time for which it is effective, and be filed in advance with the Chief Clerk.

L. If a measure has multiple committee assignments, the first committee must consider the measure before the second committee. If the first committee fails the measure, the measure cannot be heard by the second committee. When the first committee reports the measure to the House, the Speaker places it on the House Calendar (Inactive Calendar). When the last committee to which the measure was referred reports to the House, it is the property of the Committee on Rules, which considers the measure. The Speaker sets the order of the measures on the Active Calendar for the consideration of the Committee of the Whole.

M. The Speaker may direct that any measure be Second Read at the time of its consideration by the Committee of the Whole or on any day prior thereto.

N. When the Committee of the Whole has completed its deliberations, it is dissolved and reports to the House. By motion, the report of the Committee of the Whole is adopted or amended by the House and the Speaker properly assigns the House measures (or amended Senate measures) to be engrossed for Third Reading.

O. The original and one copy of each engrossed measure shall be on paper of durable quality and shall be stamped on the first page thereof with the blind embossed stamp of the House. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original House engrossed House measure shall have a green backing. The original House engrossed Senate measure shall have an orange backing.

P. The engrossed measure shall not be subject to amendment on Third Reading or Final Passage of the measure.
