PRESENT: 60 Members-elect

Motion by Member-elect Carbone of District 25 that a committee of five, consisting of Members-elect Michael Carbone of District 25, Neal Carter of District 15, Oscar De Los Santos of District 11, Nancy Gutierrez of District 18 and Julie Willoughby of District 13 be appointed as a Committee on Credentials to receive and consider the credentials of the Members-elect. Carried.

RECESS

Chairman Pro Tempore Griffin announced that, without objection, the House would stand at recess subject to the sound of the gavel. Carried at 12:16 p.m.

RECONVENE

Chairman Pro Tempore Griffin called the House to order at 12:23 p.m.

REPORTS OF SELECT COMMITTEES

The Committee on Credentials submitted the following reports:

Madam Chairman Pro Tempore:

Your Committee on Credentials herewith presents certification issued by Secretary of State Adrian Fontes, showing that the persons named in the certificate were duly elected to the Arizona House of Representatives on the 5th day of November 2024.

Your Committee reports that all of the named persons are entitled to be seated as Members of the House of Representatives, Fifty-seventh Legislature, State of Arizona.

/s/ MICHAEL CARBONE
/s/ NEAL CARTER
/s/ JULIE WILLOUGHBY

Minority Report:

Madam Chairman Pro Tem:

We submit this minority report to raise our objections to seating Michael Way as a representative of district 15. As to all of the other 59 members-elect, we concur with the majority report and find that they are entitled to be seated as Members of the House of Representatives, Fifty-seventh Legislature, State of Arizona.

The Arizona Constitution requires that all members of the Legislature must have "been a resident of Arizona at least three years…before his election."Ariz. const. art. 4, pt. 2, § 2. Following Mr. Way's primary election win on July 30, 2024, information was reported publicly that credibly alleged that Mr. Way voted in the State of North Carolina in 2021 and 2022. If that is true, Mr. Way could not have been a lawful resident of Arizona for the three years preceding his potential first term in the Legislature. Accordingly, he would be ineligible to become a Member of the House of Representatives.

We request that an investigative committee be convened immediately to determine whether Mr. Way has been a resident of Arizona for three years. If that committee concludes that he has not, his legislative seat must be declared vacant and the process for his replacement must begin as quickly as possible to allow this Chamber to operate with 60 constitutionally eligible members.

/s/ OSCAR DE LOS SANTOS
/s/ NANCY GUTIERREZ

Motion by Member-elect Carbone of District 25 that the report of the Committee on Credentials be adopted. Carried.

The Honorable Ann A. Scott Timmer, Chief Justice of the Arizona Supreme Court, administered the Oath of Office to the Members-elect as follows:

> I do solemnly swear that I will support the Constitution of the United States of America and the Constitution and laws of the State of Arizona: that I will bear true faith and allegiance to the same, and defend them against all enemies, foreign and domestic, and that I will faithfully and impartially discharge the duties of the office of State Representative according to the best of my ability, so help me God.

Chief Justice Timmer congratulated Members.

Chairman Pro Tempore Griffin thanked Chief Justice Timmer for administering the Oath of Office.

RULES OF THE HOUSE

Chairman Pro Tempore Griffin announced that, without objection, the Rules of the Fifty-sixth Legislature would be adopted as the temporary Rules of the Fifty-seventh Legislature. Carried.

Chairman Pro Tempore Griffin announced that, without objection, Members' guests would be granted privileges of the floor. Carried.

Chairman Pro Tempore Griffin announced that the Chair would now receive nominations for the Speaker of the House.

Member Carbone placed in nomination for Speaker of the House of Representatives, Fifty-seventh Legislature, the name of Steve B. Montenegro of Legislative District 29.

Member De Los Santos seconded the nomination of Steve B. Montenegro of Legislative District 29 as Speaker of the House of Representatives and moved the nominations be closed and that Steve B. Montenegro be elected by acclamation as Speaker of the House of Representatives, Fifty-seventh Legislature. Carried.

Chairman Pro Tempore Griffin announced that Member Steve B. Montenegro of Legislative District 29 had been duly elected Speaker of the House of Representatives, Fifty-seventh Legislature and would be escorted to the Chair by Members Carbone, Biasiucci, Lupe Contreras, De Los Santos and Livingston.

Chairman Pro Tempore Griffin congratulated Speaker Montenegro and presented the gavel to him.

The House was called to order at 12:33 p.m., Speaker Montenegro presiding.

PERSONAL PRIVILEGE

Speaker Montenegro addressed the House as follows:

> Good afternoon, ladies and gentlemen, esteemed colleagues, and honored guests; Welcome to Opening Day of Arizona's 57th Legislature, and welcome to the House of Representatives. It is an honor to stand before you today as Speaker of this distinguished body.
>
> Today is largely about ceremony and tradition, and for the most part, the long hours begin tomorrow. Before we embark on the journey that lies ahead, I want to take a moment to acknowledge the One who gives us the strength and wisdom to lead.
>
> God has placed each of us here for a purpose, to be stewards of the trust that the people of Arizona have placed in us, with an approach covered in humility and a servant's heart. For as 1 Peter 5:5 reminds us to clothe ourselves with humility toward one another, so too does Philippians 2:3 advise us to do "nothing out of selfish ambition or vain conceit. Rather, in humility, value others above yourselves."
>
> I'd like to express my gratitude to all of you, on BOTH sides of the aisle, for your commitment to serving the people of Arizona. Whether you're here as a veteran legislator or this is Day One of your very first session, our journeys that led us to convene here together took real commitment and sacrifice, and your dedication to our state's future is inspiring and appreciated.

Truth be told, I wouldn't be standing here without the support of my family. To my wife, Melissa, thank you for your unwavering encouragement and for keeping me focused and positive every day. You are my rock, and I love you. And thank you to my two daughters, Addy and Emmy. You two may not yet realize the essential part you play in all of this, but your laughter and everlasting curiosity remind me why this work is so important. This is about building the best possible future for you and every child in Arizona.

I have been a part of a number of opening sessions, and I think many of them include some form of encouragement that we do what we can to set aside partisanship and focus on the shared responsibility we have to serve the people of our great state. Bearing this in mind, if you've been here for more than a day or two, you know that this worthy and righteous goal we aspire to tends to be somewhat…elusive.

But healthy debate is a key component to a well-functioning democracy, and these realities stretch well back to the painstaking process involved in the drafting of our sacred Constitution. Passionate debate enhances our system and is not a nuisance but a blessing. I would encourage everyone to participate in this healthy exchange of ideas, for your contribution to the business of this chamber is precious and the voices of your constituents matter.

In the spirit of working together, and with a deep and honest conviction to contribute to the betterment of our state, I'd like to start by highlighting 3 themes that I hope will help guide our session: preserving the American Dream, promoting public safety, and protecting individual rights and liberties.

First, preserving the American Dream. Arizona has always been a land of opportunity. Whether it's the entrepreneur starting a business, the teacher shaping young minds, or the farmer cultivating our land, the American Dream is alive and well in our state. But it is not guaranteed. It requires us to ensure that our education system is strong, our economy is vibrant, and our infrastructure is prepared for the future. Let's commit to policies that empower our citizens to thrive, no matter their background or circumstances. The potential of our innovators and entrepreneurs is boundless when they're given ample room to operate, create, and shine through.

Second, promoting public safety. There is no greater responsibility than ensuring the safety and well-being of our communities. Whether it's supporting our law enforcement agencies, eradicating the flow of fentanyl across our border (especially to our innocent and vulnerable children), or combating the ruthlessness of human trafficking, we must prioritize the security of every Arizonan. Safety isn't a partisan issue; it's a human one. Let's come together to create solutions that protect our neighborhoods, schools, and families while fostering trust and accountability.

Finally, we must protect individual rights and liberties. The freedoms we enjoy as Americans are the cornerstone of our democracy. That includes placing parents at the head of the table for their children's education, protecting medical freedoms, and prioritizing freedom, fairness, and transparency in our elections systems. It is our duty to ensure that these rights are not only preserved but strengthened. In doing so, we honor the sacrifices of those who came before us and uphold the values that make our state and nation exceptional.

Now, I'm not saying this will be easy. If it were, they wouldn't have picked us to do it. But as someone once told me, "If you're not willing to roll up your sleeves, you're probably not dressed for the job." And, truthfully, it is my distinguished honor and esteemed privilege to have the opportunity to work alongside each and every one of my colleagues.

So, we come together in good faith and passion, with struggle in our background for some and a deliberate, measured intention to overcome adversity no matter how high the mountain is. All this for the security and protection of our children and grandchildren, and for future generations of Arizonans to follow.

We've been given a mandate by the people to govern responsibly, efficiently, and without ill will toward one another. And a God-given mandate to work together absent of malice and hate in our hearts. As President Lincoln once wrote referencing his hostile adversaries and those seeking open rebellion, "We are not enemies, but friends. We must not be enemies. Though passion may have strained, it must not break our bonds of affection. The mystic chords of memory will swell when again touched, as surely they will be, by the better angels of our nature."

Thank you. God bless you, and may God bless the great state of Arizona.

First Day

Speaker Montenegro thanked all guests in attendance, introduced his wife, Melissa, siblings Bequer, Zabdy, Elsy, Judah and Maasiai, father, Jose R. Montenegro and late mother, thanked dignitaries and statewide elected officials in attendance, Secretary of State, Superintendent of Public Instruction, Presidents of Universities, Corporation Commissioners, former Members and Mine Inspector, guests who were seated on the floor, and introduced guest speaker Victor Avila, Jr., retired federal agent, author and public speaker.

Victor Avila, Jr. addressed the House as follows:

Good afternoon,

I am truly honored to be with you today. Thank you, Speaker, for the invitation to be before you. I've told this story many, many times. And every time that I tell the story, it's always with one thing in mind: the remembrance of Special Agent Jaime Zapata who lost his life in the line of duty.

So, Homeland Security Investigations, what's a special agent? It's a fancy term for a criminal investigator. Homeland Security Investigations was the merger that happened with the Department of Homeland Security back in 2003 with Immigration and Naturalization Services merged with the US Customs Service, and what that did was brought a broad sense of responsibility and jurisdiction of different types of investigations that we conduct. So anything that has a criminal case that has a nexus to our border, HSI special agents have the jurisdiction to investigate it.

HSI is the biggest investigative arm of the Department of Homeland Security. Some examples of those cases that I worked are human trafficking, which is my subject matter expertise, bulk cash smuggling, money laundering, weapons trafficking, commercial fraud, intellectual property rights violations and many, many more. HSI also has presence in 76 countries around the world. So we support our interior offices by defending our homeland from abroad as well.

In my case, from El Paso, Texas, my career took me over to Cuidad Juarez on either side of El Paso back in 2008. And if you guys remember, that is when that city was the most dangerous city in the world. Suffering about 350 homicides per month. My career eventually sent me to a permanent position as an ICE rep, dignitary, diplomat in Mexico City at the Homeland Security Investigations Attaché Office in Mexico City. Working mostly in my capacity in rescuing women and children from the horrors of human trafficking. Especially, victims that were being brought from across the border into the United States to be sexually exploited and also under forged fraud labor.

While I was conducting those investigations, as the Speaker mentioned, that fateful day we were sent on an assignment on February 15, 2011, to go pick up some equipment from Mexico City to Monterey from our counterparts. Special Agent Jamie Zapata and I went and did just that, picked up a bunch of boxes, equipment, and on the way back, we were driving and passing right in the middle of the country near San Luis Potosi…two SUVs full of armed men ambushed us on the highway and forced us off the road. At this point Agent Zapata was driving in an armored Suburban that was issued to me. They forced us off the road and surrounded our Suburban, about 8 of them with AK-47s, long guns and handguns. Obviously, we didn't know at that time, that they were Zeta Cartel members.

Long story here, they tried to force us out of the Suburban and in the commotion and confusion my armored window was lowered a couple of inches without Agent Zapata and I knowing. Two of the shooters were able to then, at one point, introduce an AK-47 and a handgun at the window, and I raised the window, caught the barrels of the guns and struggled with them to get the guns out of there. Without notice, they fired into the cabin of the Suburban, striking Agent Zapata multiple times and me three times, once in my chest and twice in my left leg. There was a lot of chaos going on, hearing loss and other things. The initial shooting, once they pulled those guns out of there, I raised the window and they shot over a hundred rounds at the Suburban. We tried to get out of the "X". Agent Zapata put his foot on the gas I pressed his knee down and we crashed into the vehicle in front of us trying to get out of that position, but we only rolled from the far right shoulder of the highway into the middle median, where the vehicle was, at that point, disabled. The SUVs took off, but one of them made a U-turn, came back and parked right in front of us.

As I was struggling with Agent Zapata, he was bleeding profusely. I myself did not know that I had been shot, at that point. Two of the shooters came out, pointed the AK-47s right in front of me and opened fire to try and penetrate the bulletproof glass. They did not succeed. They thought they had, jumped back into their vehicle and left. At that point, I picked up my Nextel radio to call for help and it didn't work so I picked up my other phone which is a Blackberry and I made a phone call.

An audio recording of the phone call was then played recounting the communication between Victor Avila, Jr. and the emergency operator from the Regional Security Office at the Embassy in Mexico City.

That was the call that was routed from the Embassy to the Regional Security Office at the Embassy in Mexico City. A lot of things transpired, I was able to call the only person in Mexico that I trusted at that point. A commander in Mexico City, who was able to deploy a helicopter to our area. We were still about four and a half hours away from Mexico City.

Eventually, after 40 minutes, which is a very, very long time, sitting in the middle of the highway, help arrived. I'm here for one reason. I'm here by the grace of God to be able to even share this story with you. Someone once asked me why I didn't die? It took me aback, and I didn’t know the answer. It was a difficult answer for me to have back then, but the answer was very clear, God wanted me here for a reason. And then you struggle with what the reason is. Maybe it was just to see my kids grow up and be a father. But, maybe it was something else. Maybe it was to be an advocate for human trafficking survivors, human trafficking victims. And also border security, which is my expertise.

I have, since my retirement in 2015, done exactly just that. Because, I believe that everyone deserves public safety. I believe that the role of government, at any level, local, state and federal, the first responsibility is to provide safety for their citizens. Without public safety, everything else goes out the window. And because this Legislature is very proud, to have that as one of their goals.

To go forward as we venture into a new legislative process, to do just that. We have my shooting and my example of what has happened to me, is one that continues to happen in Mexico and the United States, and I'm talking about the imminent threat that we face by the cartels. They're presently here; they're presently in Arizona and in every major city in our country. We must defeat them; we must defeat the criminal illegal aliens that come to our country and do harm. So I will continue to work with Speaker Montenegro and all of you when it comes to the intelligence that we have to share with Mexico and many other countries to finally combat that and save those victims of human trafficking within our country.

One of the things I have learned throughout the many years is my family and I went through some very, very dark years after the shooting. I realized many things. One, that I was able to eventually share this story before an audience. And I do with a lot of police groups around the country. But one of the feedbacks that I get, it's not about the shooting. It's about the importance of family. It's about the importance of God. It's about the importance of your love for your country. And that is what keeps me pushing forward. Because the last thing I ever want to see is another person in our country be a victim of crime. I will do everything that I can in my power to do just that. To bring the awareness. To have the people, citizens become engaged. And the responsibility that we have as citizens, we do have a roll in our government and that is to hold us accountable, to keep us safe and to live in a country and a city that we love.

I want to thank all of you for your attention today, and I wish you the best and for 2025 to be one of those years that we can make a difference.

Speaker Montenegro thanked retired federal agent Victor Avila, Jr. for sharing his story.

Unless a reconsideration motion has been offered and failed, a chairman may place a measure that failed in committee on any subsequent agenda.

4. A measure not on the committee agenda shall be scheduled for discussion at the next subsequent committee meeting by presentation of a petition containing the signatures of two-thirds or more of the committee members.

5. A roll call vote shall be taken in each standing committee when final action on any measure is voted.

Special meetings may be called by the chairman but require permission of the Speaker and notice to members and the general public at the Information Desk by 5:00 p.m. on the previous day, except that the notice of a special meeting of the Committee on Rules may be given in open session prior to the meeting and does not require the Speaker’s permission.

D. The Speaker is authorized to call meetings of standing and select committees of the House during periods when the House is not in session and to approve claims for travel and subsistence incurred by members of such committees in attendance thereon, as provided by law. Notwithstanding the statutory authority, the Speaker, after consultation with the committee chairman, may appoint members to the committee of reference.

E. No committee other than the Committee on Rules shall meet while the House is meeting in session without special permission of the Speaker.

F. Except as provided herein, all House measures shall be considered by committees prior to the Saturday of the week in which the sixtieth day from the beginning of each regular session falls and all Senate bills shall be considered by committees prior to the Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall consider a measure in violation of this subsection without the written permission of the Speaker.

G. Notwithstanding Rule 8(T), no proposed amendment in the Committee on Rules to strike everything after the enacting clause and insert new material shall be in order.

H. All interim committee meetings shall be open to the other members of the Legislature, the press and public so long as proper decorum is maintained, with the exception of executive sessions ordered by a majority of the committee constituting a quorum.

RECESS

Motion by Member Carbone that the House stand at recess subject to the sound of the gavel. Carried at 1:53 p.m.

RECONVENE

Speaker Montenegro called the House to order at 2:04 p.m., introduced Senate President Warren Petersen and turned the gavel over to President Petersen.

JOINT SESSION OF THE SENATE AND HOUSE OF
REPRESENTATIVES OF THE FIFTY-SEVENTH LEGISLATURE
FIRST REGULAR SESSION OF THE STATE OF ARIZONA

The Joint Session of the First Regular Session of the Fifty-seventh Legislature was called to order by Senator Warren Petersen, President of the Senate, at 2:05 p.m.

Senate President Warren Petersen delivered the following message:

> Our agenda for 2025 can be summed up in two words…common sense.
>
> The citizens of Arizona spoke loud and clear last November. They want their government to enforce the law and secure our open border. We will support President Trump and our law enforcement in their efforts to protect Arizonans from the crime pouring into our communities and jeopardizing our national security.
>
> To those elected leaders who choose to stand in the way…get ready for court. The Republican-led Arizona Legislature vows to uphold the rule of law, and we will exhaust all legal options to ensure the chaos we've lived for the past four years comes to an end…even when the Governor and Attorney General refuse to join us.
>
> Home ownership has become unaffordable for many Arizonans. We must build. We have the water to support the growth. We use the same amount of water today that we did 70 years ago—and we have 6 million more people today! Arizona knows how to conserve water. Right now, we have legislation to allow us to continue to grow and build homes while conserving water. The Executive's mandate halting home construction in two of the most booming areas of the valley is irresponsible, and first-time homebuyers are suffering the consequences of sky-high prices.

Arizona families want real solutions that empower them to create their own American Dream. They don't want government handouts. And they don't want the government telling them how to live their lives. We will keep Arizona a free state. We will not pick winners and losers using your tax dollars. We will not grow government.

And we will take action to equip our K-12 schools with quality educators at the front of every classroom by using a Proposition 123 renewal to increase teacher pay above the national average.

This is what you can expect from us. Common sense. Upholding the rule of law. Getting government out of the way so that our citizens can thrive.

I look forward to welcoming our Governor here shortly and working together—where her priorities align with the majority of Arizonans.

The Joint Organization Committee, consisting of Senators Alston, Dunn, Miranda and Payne and Representatives Livingston, Alma Hernandez, Peña, Tsosie and Weninger, returned escorting Her Excellency, Katie Hobbs, Governor of the State of Arizona.

Governor Katie Hobbs, who was introduced by Senate President Warren Petersen, delivered the following message:

STATE OF THE STATE
GOVERNOR KATIE HOBBS
FIFTY-SEVENTH LEGISLATURE, FIRST REGULAR SESSION
JANUARY 13, 2025

Speaker Montenegro, President Petersen, Leaders De Los Santos and Sundareshan, members of the House and Senate, Secretary Fontes, Attorney General Mayes, Treasurer Yee, Superintendent Horne, Mine Inspector Marsh, Corporation Commissioners, Chief Justice Timmer and members of the judiciary, Tribal leaders, honored guests, and my fellow Arizonans:

It is our honor to mark the opening of the 57th Legislature for its First Regular Session, here on land that will always be connected to the O'Odham and the Piipaash of today's Salt River Pima-Maricopa Indian Community and of the Gila River Indian Community.

Before we go further, let me say my heart is with the people of California impacted by the devastating wildfires. I also want to acknowledge the courageous Arizona firefighters who are helping our neighbors battle the flames. To all those fighting the fires, thank you.

Now, let me extend my congratulations to both the new and returning faces in this chamber. Your dedication to public service is commendable. Let us never forget the honor we have in serving this great state.

That honor comes from the indomitable spirit of the people who built this land into the thriving culture, economy, and innovative place it is today…

The ingenious Huhugam people who first engineered central Arizona's canal systems and the Tribes who continue to lead on water stewardship policies today…

Individuals and families who built their lives here because they saw the promise of our deserts, our diverse geography, and our stunning open spaces…

Leaders like Justice Sandra Day O'Connor, Governor Raul Castro, Senators Barry Goldwater and John McCain who guided our state and nation…

Their spirit carries on today.

It continues with Arizonans like Felicia Siyuja, a member of the Havasupai Tribal Council. When devastating floods swept through Supai Village last summer and collapsed the surrounding trails, Felicia guided more than 100 tourists to Havasupai Elementary School for shelter. Throughout the night, she fielded calls from first responders about people stuck on trails and families looking for loved ones, communicating their names and locations to the Tribe's rangers.

Her service and heroism show how even in our most devastating moments, Arizonans are there to offer hope and a helping hand. Felicia, please stand so we can thank you for your bravery and kindness.

Resilient individuals like these and millions of other good, hard-working people built our beloved Arizona—a special place that values opportunity and freedom.

A place where entrepreneurs, mom-and-pop businesses, farmers, and international companies launch their next big idea or provide the critical services and products that make our modern way of life a reality…

A place where your children and grandchildren can triumph beyond our wildest imaginations…

A place where the promise of tomorrow is as vast as our blue skies and luminous as the Arizona sun.

This, my friends, is our Arizona Promise.

The promise that everyday people can find opportunity…security…and freedom. The promise that through hard work and perseverance, you can build a good life for yourself and your family and leave your kids with a better tomorrow.

For many years we lived by this creed and realized this promise. But for too many, the Arizona Promise has slipped away.

Our cost of living is too high. People are working harder and struggling more. Our freedoms are under attack. Our sense of security has faltered.

For too long, politicians have been focused on the wrong things—chasing headlines, playing politics, and looking toward their next election or their next office rather than standing up for the people we represent.

Since I became Governor, we have made great strides in restoring this Promise. But we still have much to do.

Our promise means you shouldn't have to work two or three jobs just to make ends meet…

It means your kids should be able to go to college or trade school without taking on a lifetime of debt…

It means you should be able to access the medicine and healthcare you need, at a price you can afford…

It means if you work hard and save, you should be able to buy a home where you and your family can build a life…

It means if you immigrate to this country, follow the law, pay taxes, and contribute to your community, the Arizona Promise can be yours, too.

The Arizona Promise is personal to me. I was born right here, at Saint Joe's hospital in Phoenix. I grew up in Tempe playing at Kiwanis Park. Thanks to scholarships and hard work, I graduated from Northern Arizona University and Arizona State University. As a social worker, I helped homeless youth and domestic violence victims in central Arizona. I met my husband here while volunteering at church. We raised our children here. And now, they are building their lives right here, too.

Arizona is my home—and, like you, I love this state.

That love never diminished when I was a kid and my family had to rely on food stamps. It never diminished when my husband and I lost our home during the Great Recession. Or when I took a second job driving for Uber so I could buy Christmas presents for my kids. And it never diminished in the face of any of the countless other battles middle class families like mine confront.

That's why every day, I wake up and fight for this state. That's why I will never give up on the Arizona Promise.

Since I became Governor, we have achieved much together by finding common ground, but we must do more.

As we go forward, let us work together to make that promise a reality—today and for years to come.

Having grown up in this state and raised my family here, I've witnessed how having a home represents more than four walls and a roof. The home I grew up in was somewhere we made memories. It made so much of our lives possible.

It's why a safe place to rest your head at night…to celebrate your children's birthdays…to build a life…is a pillar of the Arizona Promise.

The home where I made my memories—where I had a safe place to rest my head—was purchased by my parents for forty thousand dollars. They bought it back when working class families could afford to buy a home in this state and live their Arizona Promise.

But today, the high cost of housing is forcing that Promise out of reach. From Flagstaff to Sierra Vista, housing shortages and out-of-state speculators are driving up the price of housing.

To combat this, we are taking action.

A few weeks ago, I helped Maria Magdalena Contreras move into her new home. Maria is a widow and hardworking mom of four kids. As a medication technician, she helps keep our seniors healthy. After renting for eight years, Maria was finally able to buy a home thanks to down payment assistance from our Arizona Is Home program. She now has a place of her own…a place to hang a photo of her beloved children…and a place to one day pass down to them.

Maria's story signifies the perseverance of so many Arizonans who work hard and save for years, but for whom homeownership remains out of reach. We owe it to them to create more opportunities to find a home, access support if they need it, and live in the community they want.

During my time as Governor, we have lowered costs by cutting government red tape and making historic investments in affordable housing programs. But, make no mistake, we must do more.

First, we must extend the State Low-Income Housing Tax Credit. This program has enabled the development of affordable homes across Arizona—from Prescott Valley to Tucson.

Second, let's address the proliferation of vacation rentals owned by out-of-state corporations looking for a quick buck. These housing speculators are buying up properties and turning family homes into party houses, making housing less affordable in the process. Party houses are causing chaos in our communities. We must end the top-down government mandate that denies our neighborhoods a voice. Arizonans want family homes, not party houses.

Third, let's continue to foster generational wealth. Last year, I announced the Arizona Is Home program, and I'm proud to share with you today that we will double the number of first-time homebuyers who receive assistance.

Finally, we must further cut the red tape that's driving up the cost of housing. I'm proud of the progress we've made expanding access to casitas and building duplexes and triplexes in our downtowns. But Arizonans are depending on us to find more common sense solutions that don't expose our neighborhoods to untested experiments.

By taking these common sense actions, we can lower the sky-high cost of housing and help families thrive.

But there is yet more we can do—more we must do. No man or woman who served our nation and protected our freedoms should be forced to live on the street.

That's why today I am issuing a challenge to lawmakers and elected officials across the state to fully commit to ending veteran homelessness in Arizona in the next decade.

My executive budget will include a down payment to jumpstart this effort, with the creation of the Homes for Heroes Fund. But it will take all of us—state and local governments, non-profits, veterans organizations, and others—to see this commitment through. Let's work together to ensure our veterans have a place to call home.

While we tackle homelessness and the cost of housing, our families are burdened by other costs. We must also do more to help them afford day-to-day life.

When I travel across the state and speak to parents, I hear one thing time and again: child care costs are out of control.

- On average, an Arizona family pays nearly 15 thousand dollars per year for child care. That's more than students pay for in-state tuition to our public universities.
- More than 75,000 Arizona children—1 in 4—have parents who need childcare, but can't access it.
- And every year, child care disruptions cost our state billions of dollars in economic activity.

I was a working mother who raised two kids. I understand these challenges intimately. That's why I am putting forward the Working Families Child Care Act to lower the cost of caring for your kids by two-thirds. Through partnerships with employers, we can make life easier for families who are struggling with the high cost of raising a child.

Hardworking families will win. Employers will win. And, most importantly, our kids will be better off because they have the care they need to learn, play, and thrive.

Let's work together to lower costs and support families who are raising the next generation of Arizonans.

But lowering costs alone will not bring about the Arizona Promise. We must embrace a vision of economic opportunity.

Whether you're chasing your dream job in a trade or launching the next big thing, you should have the chance to succeed and build a better life for yourself and your family.

When we create opportunity, Arizonans like Orrin Bates succeed.

Orrin has always enjoyed learning how things work. As a kid, he helped his dad fix things in the garage. As a boy scout, he earned his first merit badge in electricity. Inspired by his scout leader who was an electrician, Orrin pursued an apprenticeship at Phoenix Electrical JATC.

His hard work paid off when he was named Apprentice of the Year and graduated from the program last month. The money he earned helped him buy his first home, where he hopes to raise a family one day. He's excited to get started as a Journeyman Inside Wireman and put his electrical skills to work. Orrin, please stand. Join me in acknowledging Orrin for his hard work and congratulating him on his recent engagement!

Through our BuildItAZ initiative, we're creating opportunities for thousands of talented, driven individuals like Orrin. We're investing in our construction and trades apprenticeship programs—including the one Orrin completed—that will, in turn, help more people build high-demand skills.

It's the right thing to do—because we should expand pathways to having a good job with good wages.

And it's the smart thing to do—because we're meeting the needs of our growing state, providing companies with top-notch talent, and supporting families.

Just look at the opportunities we're creating in the semiconductor industry.

Last year, I stood in front of you and called for the continuation of the Arizona Commerce Authority because I know it's essential to growing business and creating jobs in this state.

Fast forward to last week: I announced a historic investment through the CHIPS and Science Act to create Arizona's first national laboratory and one of America's three flagship semiconductor research and development facilities. It's an investment made possible because of the Commerce Authority, which partnered with Arizona State University to bring this enormous opportunity to our state.

Thanks to this historic project and support from public and private sector partners, Arizona stands as the epicenter of America's semiconductor industry—an industry putting thousands of people to work in our communities.

Whether it's the opportunities in the trades, the pathways created through our world-class universities, or the possibilities for ambitious entrepreneurs, Arizona offers a model for the nation.

Today, we have more Arizonans working than ever before…

We are the top market in the nation for manufacturing expansion…

We rank in the top 10 states for private sector wage growth…

And since I became Governor we've created nearly 200,000 jobs.

Through successful public-private partnerships and bipartisan collaboration, we are creating good-paying jobs that support industries critical to our national security and economic future. We are leading America's manufacturing renaissance.

However, we can't judge our success by the expansion of large companies alone.

Arizona's economy thrives because of small businesses like the one founded by Alexa Rodriguez. After discovering her passion for entrepreneurship, she started an online boutique selling crafts that honor her Mexican heritage. While starting a business was hard, Alexa learned that securing a loan through traditional channels was even harder.

That changed when she got a loan through our Microbusiness Loan Program, which is designed to provide financial support for our state's smallest businesses. The loan has helped her scale up her operation, allowing her to make more products and sell directly to customers at a mall kiosk. Through the program, she's also getting financial education and training so she can execute on her future plans. Alexa, please stand. Join me in congratulating Alexa on pursuing her dream and on her success as an entrepreneur.

Delivering on Arizona's Promise means creating more opportunities for individuals like Orrin and Alexa in communities and industries across our state.

Beyond these efforts, however, the best way to ensure we have a strong, thriving economy is by acting decisively to support our public K-12 schools.

We must address the impending expiration of Prop 123, which provides critical funding for public schools and teachers.

Renewing it is essential. If we fail to act, we are throwing away an opportunity to fund teacher pay raises and give Arizona's children the opportunity they deserve—all without raising taxes on a single Arizonan.

When Prop 123 originally passed, it was a bipartisan success and proved that Republicans and Democrats could come together and do the right thing for our students, teachers, and parents.

So let's put our kids first again and provide the certainty they and our schools need.

Let's address the Aggregate Expenditure Limit to make sure schools stay open…

Let's pass a Prop 123 extension to fund our schools without raising taxes.

I will not waver in my commitment to creating more opportunities for Arizonans—because every individual who works hard should have a chance to get ahead.

A truly thriving economy means security for our families and neighbors. That's why safe communities are a core pillar of the Arizona Promise and why I've made border security a top priority.

At my direction, the Arizona National Guard is at our border to support U.S. Customs and Border Protection and stop the flow of dangerous drugs into our state. When I visited the Port of Nogales in November, I saw the critical work that these men and women are doing to protect us. They direct traffic through x-ray machines. They break down vehicles. They assess every potential threat coming into our state. They are Task Force SAFE.

And one of its members is Staff Sergeant Everett Griggs. Staff Sergeant Griggs is a 17-year member of the Arizona National Guard and veteran of the United States Air Force. For Staff Sergeant Griggs, the mission of Task Force SAFE is personal. He told me how proud he is to play a role in keeping his family and neighbors safe. Most of all, he is driven by his wife Shauna and his three children: Preston, who wants to serve his country as a helicopter pilot in the military, Everett III, an aspiring NBA player, and 7-year-old Peyton, who loves to dance. Staff Sergeant Griggs, please stand so we can show our gratitude for your dedication to keeping our state and our families safe.

We must remain vigilant in protecting Arizonans from the cartels who seek to do us harm. The fentanyl crisis is one of the greatest threats to public safety in our state's history and requires a collaborative approach across state, local, and federal governments.

When we work together, we protect Arizona families.

Since July, the Arizona National Guard and CBP have seized more than 8 million fentanyl pills and more than 2,000 pounds of meth, cocaine, heroin, and fentanyl powder.

That means 8 million pills out of our communities…

Eight million pills that didn't destroy fathers, mothers, sons and daughters, brothers and sisters, friends, and grandchildren. Eight million pills that are no longer funding the cartels who are shoving poison into our neighborhoods.

I will continue working with this legislature to protect our border because until all Arizonans feel secure in their communities, we will not be able to deliver on our Promise of freedom and opportunity.

In this effort, we must better support members of law enforcement who are on the frontlines keeping us safe.

Officers like Captain Trevor Graff and Sergeant Becky York, who are Arizona State Troopers. They also happen to be married. Every day they wake up, put on their uniforms, and bravely protect our families. But their selflessness extends far beyond that.

Last year, Captain Graff and Sergeant York chose to foster two children, a baby girl and a baby boy who had been exposed to dangerous drugs. They were born addicted to fentanyl, meth, and cocaine, putting them at higher risk of medical issues.

Thanks to the paid family leave my administration put into place, these foster parents were able to bond with their new babies, take them to critical doctor visits, get them healthy, and see them crawl for the first time. Captain Graff and Sergeant York, please stand so we can acknowledge and thank you for your service.

Paid family leave was the right thing to do so that parents can take care of their families.

But we must do more for the brave men and women who protect us every day. That's why my executive budget will include a 5 percent pay increase for our frontline law enforcement—including state police and correctional officers.

It's why my executive budget will also include a pay raise for the state firefighters who run toward danger and keep Arizonans safe every day.

These well-deserved raises will not only reward our hardworking state law enforcement and firefighters, but also help us recruit and retain the best. Our state police pay raise will mean more violent criminals in jail, less crime in our communities, and a greater sense of safety for Arizonans.

It's time to put our money where our mouth is. If we care about keeping our communities safe, if we care about supporting our officers, and if we care about public safety, then we should fund the police and our firefighters.

The Arizona Promise also means freedom—the freedom and the ability to make your own medical decisions and access the healthcare you need, when you need it.

My commitment to protecting this freedom is ironclad. As a mother and social worker, I've witnessed firsthand what can happen when that freedom is stripped away.

Look at the facts: In Arizona, our maternal death rate quadrupled from 1999 to 2019 … and today we have a higher rate of preventable maternal deaths than the U.S. average.

As a mother, I find it unacceptable that any baby should lose their mom to a preventable condition. Or that parents have to struggle to get healthcare for their kids.

That's why I'm proud we worked together to provide 19,000 more children with health insurance through our KidsCare program.

This year, I will build on our success and take action to save the lives of new moms by making our 12-month postpartum coverage permanent.

I also call on this Legislature to expand access to family planning services to keep moms healthy.

I believe it's a moral responsibility to ensure women and their families can access the care they need without government overreach.

I'm proud to have signed the repeal of the draconian 1864 total abortion ban, but unfortunately, some continue to attack women's freedoms, no matter the consequences.

I proudly stood with the overwhelming majority of voters to enshrine the right to abortion in our state constitution. Arizonans made their voices loud and clear: We want our freedoms protected.

I have been steadfast in calling for the end of the abortion reporting law that requires government surveillance of pregnant women—and I again call on this Legislature to get rid of this unnecessary, invasive report for good.

Further, I call on this Legislature to do what's right for Arizona women and families by taking common-sense actions:

Put a bill on my desk to guarantee the right to contraception—because every woman has the right to make their own private medical decisions without the government getting in the way.

And pass legislation to protect a woman's right to access fertility treatment, because every Arizonan should be able to decide how and when to start a family, on their own terms.

For one Arizonan named Nicole, cancer nearly put motherhood out of reach. When she was diagnosed with leukemia at age 27, her immediate thought was: Will I be able to have kids? Before starting chemo and undergoing a bone marrow transplant, she froze her eggs. Today, Nicole is 6 years cancer-free and thanks to IVF, she has a beautiful daughter. She hopes IVF is protected so other women will have opportunities like her.

There are thousands of Arizona women, couples, and families like Nicole who deserve to have their rights protected and the opportunity to build the life they want.

That's why these aren't just policy positions—they're actions that embody the fundamental values of freedom and family.

Arizonans have spoken clearly. It's our responsibility to deliver on their mandate.

One of our sacred freedoms is the right to clean water for all. We must protect Arizona's most precious resource: water.

I will never stop fighting for our water rights, because access to water is fundamental to preserving the Arizona Promise. Whether that means combatting federal overreach, out-of-state interests, or exploitation from big corporations that hurt local farmers.

Securing our water future is essential to preserving our way of life.

Whether it's our use of canals and dams to provide water to millions of people…or the passage of the visionary Groundwater Management Act…or the hard work of farmers, ranchers, Tribal nations and the men and women of the Arizona Department of Water Resources, we have always led the nation in water innovation and conservation.

But some still lack access to this fundamental resource. Judy Elthsosie from the Black Falls community of the Navajo Nation has lived her entire life without running water. A cistern that once stored rainwater grew algae, making it unusable. When she needs water, she drives 30 miles, making as many as three trips a week in the summer months. Having reliable access to clean drinking water would be life-changing, she says.

In November, I signed historic water settlements with leaders from four Tribal Nations—ending decades of litigation and finally settling their water rights. Now, it's time for Congress to do their part and pass these settlements so that Judy, her community, and future generations have access to the safe, clean water they deserve.

In addition to those settlements, I have taken decisive actions to ensure Arizona's water future and defend our state's groundwater from irresponsible developers who are focused only on short-term profits. Through the work of my Water Policy Council, we created a program to build the housing communities need to grow, while protecting the groundwater they rely on.

And now, I'm proud to announce the Arizona Water Company and EPCOR have taken the first steps to obtaining designations of Assured Water Supply using alternatives to groundwater. Arizona communities from Sun City to Casa Grande will be able to grow while using less groundwater. And that's just the beginning of this innovative program.

When we fail to take action to protect our groundwater, big corporations will recklessly over-pump this finite resource regardless of the people and communities they hurt.

Take for example Janet Randall—the land beneath her home is sinking. She first noticed things like doors not closing…then came the cracks in the floor…then a layer of bricks collapsing in her living room. Now, you can see daylight through the kitchen wall.

In her community and across Cochise County, wells have gone dry, forcing residents to make an impossible decision: pay big bucks to deepen their well…or move. Local family farmers are being squeezed and feeling the consequences of over-pumped groundwater.

Mark and Rhona came to Willcox with a dream to farm, and through hard work they made that dream a reality. There's a lot Mark and Rhona would like to do to grow their business: upgrade equipment…purchase attachments for their tractor…hire more workers. But over the years, the water in their well has gone down…and down…and down. So instead, they had to drain their savings and borrow tens of thousands of dollars to drill a new well with a new pump…a debt they will be paying off for years.

To fight the dangerous consequences of excessive groundwater pumping, something had to be done to help Janet, Mark, Rhona, and their entire community. That's why I designated the Willcox Groundwater Basin an Active Management Area.

As I said when I stood before you last year, we must act now to protect Arizona's water. And when the Legislature did not, I did.

I remain committed to true, bipartisan reform to protect our groundwater. But mark my words, if this Legislature fails to act. I will…Again.

Further, any bills that attack our assured water supply program, undermine our water future, or are political cover for this Legislature's lack of action on water security, will meet my veto pen.

Finally, securing our long-term water supplies means defending Arizona's rightful share of the Colorado River.

Whether I'm meeting with farmers from Yuma, communities across central and southern Arizona, or other governors, my message is the same: I will always stand up for Arizona's water rights.

I'm proud to have secured a deal that protects Arizonans from forced cuts to our water use through 2026, but the deadline is close and we have more to do.

The solutions to our water challenges won't come from Washington, D.C. They will come from Western states working together, not against each other.

Arizona has led the nation in water management for generations. Now it's our responsibility to continue that legacy, ensure our water future, and protect the Arizona Promise for those who follow in our footsteps.

Our children deserve the best public education.

From Page to Douglas, more than 90 percent of our K-12 students go to public school. That's why our path forward demands bipartisan solutions to create and sustain the world-class schools our children and parents deserve.

Public education is the key to opportunity…security…and freedom. It is the Arizona Promise.

Success means outstanding teachers in every classroom…

It means smaller class sizes to enable meaningful engagement and learning…

It means equipping kids with the tools to succeed…

And it means bringing overdue accountability to the ESA program that costs taxpayers nearly 1 billion dollars every year.

Members of this Legislature must ask themselves:

- Do we finally put guardrails around ESAs to protect against fraud, waste and abuse—or do we continue to write a blank check with taxpayer money?
- Do we lower costs by investing in child care and housing—or do we continue to subsidize the rich?
- Do we provide lifesaving care to new mothers and their children—or do we continue paying for grand pianos to sit in multi-million-dollar homes?
- Do we give our police a raise and secure our border—or do we continue to pay for ski resort passes?

The current program is unchecked, flawed, and rife with exploitation.

Three years ago, it went far beyond its original purpose, which was to support kids with special needs and military families.

Today, it has ballooned into a billion-dollar boondoggle increasingly scamming Arizonans.

Other entitlements funded by taxpayers have strict oversight and income requirements.

Yet the ESA program has the privilege of virtually no safeguards. My executive budget offers a balanced solution that supports families and finally brings real and effective guardrails to ESAs.

The solution is simple:

- Institute responsible income caps
- Ensure taxpayers know where their money is going
- And create real accountability for taxpayer dollars

It's time to bring common sense to this program. It's time to bring the same fiscal responsibility to ESAs that we demand from every other program in state government.

The Arizona Promise depends on it.

In his opening message to the first regular session of the 35th Legislature, Governor Bruce Babbitt delivered the following words:

"The task is not an easy one; the role of the critic is always easier than that of the problem-solver….I am confident that we can preserve that which is good in our heritage while accepting the challenge of the future."

As we work, debate, and craft solutions together in the months ahead, let's remember those words.

Arizonans are counting on us to be their voice.

…to lower costs.

…to support our schools and secure our border.

…to defend their freedoms and keep their communities safe.

…to deliver the Arizona Promise.

We are all Arizonans. We love this state: The people. The natural beauty. The opportunity. The freedom.

We know what is possible when we put our differences aside and do what's right—no obstacle is too great and no divide is too wide to overcome.

Thank you for your commitment to serving, to building a better state today and for the future, and for helping to restore the Arizona Promise.

Now let's get to work.

A communication from Governor Katie Hobbs on disapproval of the following measure was filed:

February 18, 2025

RE: House Bill 2703: early voting; tabulation; ballot deadlines

Speaker Montenegro,

Today, I vetoed HB 2703. While I too want faster election results, the solution should not needlessly restrict Arizona citizens' freedom to vote, or undermine the learning and safety of students in public school districts. This legislation effectively ends the Active Early Voting List, something that has nothing to do with faster election results, but disenfranchises voters by adding additional steps for the hundreds of thousands of Arizona voters who prefer to vote by mail. Making it less convenient to vote is something I have consistently said I cannot support. Arizonans are relying on us to work together and put their rights ahead of any partisan agenda.

Compromises I proposed would increase voter freedom while speeding up election results. Proposed changes included Friday early ballot drop off restrictions, while protecting the Active Early Voting List and some combination of same day voter registration, cross-county portability of voter registration, and expanded assistance for eligible voters to return their ballots in a timely manner. A negotiated bill that included some of these provisions would have shown Arizonans that it is possible to both speed up counting and expand voter access.

Unfortunately, any potential compromise was rejected, leading me to believe the focus of this legislation is disenfranchising eligible voters, not delivering faster election results for Arizonans.

Any bill on this issue must reflect the efforts of good-faith negotiations and uphold Arizona citizens' access to the ballot box.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: Senate Bill 1119: residential utilities; consumer office; definition

President Petersen,

Today, I vetoed Senate Bill 1119. At a time when Arizonans are paying more for energy, it is important to preserve avenues to lower costs for Arizonans. The Residential Utility Consumer Office (RUCO) serves as an important public defender in utility rate cases, and their ability to protect Arizona consumers should not be hampered by unnecessary legislation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

JOINT PROTOCOL SESSION

FIFTY-SEVENTH LEGISLATURE

FIRST REGULAR SESSION

Tuesday, April 8, 2025

Speaker Steve B. Montenegro called the Joint Protocol Session to order at 12:05 p.m.

The Sergeant at Arms announced White House Executive Associate Director of Enforcement and Removal Operations Tom Homan.

Speaker Montenegro delivered the following message:

Members and Senators,

It is my privilege to introduce and welcome the Honorable Tom Homan to the Arizona Legislature. Director Homan serves in President Trump's Administration as the White House Executive Associate Director of Enforcement and Removal Operations.

Director Homan is leading historic national efforts to restore order at the Southern Border. As a border state, Arizona is uniquely impacted by the crime and threats to public safety at our Southern Border. We have tirelessly worked to protect our communities by introducing common sense legislation to promote public safety, preserve the American dream and protect individual rights and liberties.

I've had the privilege of working with Director Homan on different initiatives, like Border 9-1-1. I've always admired his courage and love for this country. I consider it an honor to call him my friend.

Senate President Warren Petersen delivered the following message:

Last year, the Legislature referred Arizona's Secure the Border Act to the ballot and Arizonans overwhelmingly passed it.

This year, I've introduced the AZ ICE Act to ensure state and local government cooperate with federal efforts to reverse the chaos of the last four years.

And we have additional legislation in the works to support the Trump Administration in its efforts to protect our citizens from dangerous criminal illegal aliens.

We greatly appreciate Director Homan's insight and expertise on this critically important topic.

White House Executive Associate Director of Enforcement and Removal Operations Tom Homan delivered the following message:

Alright. Well, thanks for the invite. So let's talk about what's happening right now. I'm the senior adviser to the president of The United States working title is Border Czar. So what am I doing?

President Trump gave me three things to do, three responsibilities. One, secure the border. Two, run a deportation operation, the largest deportation operation this country has seen. I'm going to tell you in a minute why that's important. And three, to find missing children. And we're going to find those missing children. I love it. Thank you for making my day. I love haters. They make my day every day.

So let's talk about the truth of what's going on in the border. The Biden administration created the most significant immigration crisis in the history of this nation. We went from the most secure border in my lifetime, to unprecedented illegal immigration. Well, now we got President Trump, who happens to be the greatest president of my lifetime, back in office, and we're going to secure the border. We've already done it.

We're going to run the biggest deportation operation in history of this nation, and we'll go and find these missing kids. So where are we at? In a matter of weeks, we have illegal border crossings down ninety-four percent, in weeks. President Trump did in five weeks what Joe Biden didn't, wouldn't or didn't even attempt to do in four years. Which proved, that he had the ability to do it all along. He didn't need new laws from Congress.

As he said, one of his best lines on Capitol Hill, "We just need a new president." And we got him. You know, I woke up every day pissed off for four years with that the Biden Administration came in and unsecured the most secure border we've ever had on purpose. Not by accident. Not by mismanagement. This was done on purpose. This was done by design. And when you've got ninety-four percent less people coming, how many women aren't being raped every day by the cartel? How many children aren't dying on the border every day? How many pounds of fentanyl are not getting into the country to kill Americans? How many people on terrorist watch lists aren't coming to our border? How many people are being released in The United States? I'll tell you right now.

The first two months under Joe Biden, February and March, they released 184,000 illegal aliens in this country. Same time for President Trump, nine. Four of them were material witnesses in criminal investigations. Four were significant emergency medical issues, which means no one is being released. Catch and release is over. President Trump stopped that day one.

We like to say how inhumane Trump's policies are. He's a racist. I'm a racist. Whatever. The fact is, we're saving lives every day, on the Southern Border. You want to talk about inhumanity? Let's look at the Biden Administration. In the four years in power, we had over 4,000 aliens die making that journey, a historic record. We had a quarter million Americans die from fentanyl coming across the border, an historic record. You had a 600% increase in sex trafficking in women and children, historic record. You had over 400 people on a terrorist watch list come across the Southern Border. Historic record. 400 in their administration, under Trump's first administration, 13. What's it at now? One. And they didn't get released in United States. So, the border's secure right now.

I looked at the most important number to me, which is gotaways. That's what, everyday, I look at what's the apprehension numbers and what what's the gotaway numbers? Right now, we went from a high in Biden administration of 12,000 a day to 200. 200. Am I happy? Yeah. I'm happy.

I'll be happier when it's zero, and we're going to get there. The gotaways, under Joe Biden, 2.2 million gotaways, known gotaways, people that cross the border, we've got a visual, foot traffic or drone video. We've got camera video or sensors. 2.2 million known gotaways. People that came in this country, we don't know who they are, where they come from, or why they're here. The average under Joe Biden, 1,800 a day across the border weren't apprehended because the Border Patrol was so overwhelmed changing diapers, making baby formula, making hospital runs, they were pulled off the line. 1,800 gotaways a day. What was it yesterday? 41. 41 from 1,800. Is that good? It's very good. I'll be happy when it's zero.

We have this administration right now in power is going to have, for the first time in the history of this nation, total operational control of our southern border. Under president Trump, it's going to happen. You can take that to the bank.

Now let's talk about interior enforcement operations, the second part, running the mass deportation operation. I read every day about what a racist, hateful thing that is to say you have a mass deportation operation. Now, we've had four years of massive illegal immigration on the Southern Border.

Here's what you need to know. Millions of people come to the border, make an asylum claim. Asylum means you're escaping fear and persecution from your home government because of race, religion, political affiliation or participation in a specific social group. That's what asylum is. We've got a million people come to our Southern Border demanding the right to claim asylum, demanding the right to see a judge.

They were given that. They got their due process. And guess what? Nine out of ten will end up with the order removed because nine out of ten made a fraudulent asylum claim. They don't qualify for asylum.

They said a few keywords and were released in the United States by the last administration. So, at the end of historic illegal immigration, where millions of people come across the border, nine out of ten of them will end up with an order of removal from a federal judge. That's why there's going to be a massive deportation operation. You can't demand due process and ignore the decision in the end of that due process, which is an order of removal. The law requires it.

That's exactly what's going to happen. There are going to be consequences. And if we don't do it, we send the whole world a message. Enter the United States illegally. It's a crime.

Go in front of an immigration judge and lose the case or not show up at all and get an order in absentia, but we're not going to look for you, you don't have to leave. If that's the message we send the whole world, you're never going to fix our borders. Well, you'll fix it during one administration through executive orders. Well, that's the message we send the whole world, it's okay to enter this country illegally. It's okay to make a fraud fraudulent asylum claim, and you can ignore a judge's order. If I ignore a judge's order, I'd be in jail.

So we're going to enforce the laws in this country without apology. So that's why there's going to be a massive deportation operation. Because the last administration caused a massive illegal immigration crisis where ninety percent of the people shouldn't be here.

So that's going to happen. To start, the numbers now are good. We've arrested more people in the first two months of the Trump Administration than Joe Biden did all last year. I'm happy. I'm not satisfied.

I was at a panel this morning. ICE Director is sitting next to me. I want more. There're hundreds of thousands of illegal aliens in this nation with criminal records that are walking the streets. We need to find every single one of them and get them out of this country.

Now I read in the media every day that, you know, Home is not keeping its promises. We're not concentrating on the worst. President Trump said day one, we'll concentrate on the public safety threats and national security threats first. That would be the priority. But I've been clear from day one, if you're in the country illegally, you're not off the table.

Prioritization. I can prioritize my family life, that doesn't mean I ignore my work life. Prioritization is about who we go after first, but in the meantime, while we're doing that, if we find a noncriminal illegal alien, they're coming too.

It's not okay to be in this country illegally, and people hate on me for that. If you're in the country illegally, you should be looking over your shoulder. It's not okay to enter this country illegally. It's a crime. I wouldn't feel comfortable being in another country.

And here's what they're not telling you. Why is there so many noncriminals being arrested and put in the jail? Again, the vast majority are criminals, but why is there a higher-than-expected number of collaterals? Because of sanctuary cities. If we can't arrest a bad guy in a county jail and that county jail is going to release that public safety threat back into public, which is stupid to begin with, that means I've got to send the whole team to the community to find the bad guy, and we will find him.

And when we find him, many times he's with others. Others who may not be a public safety threat but are here illegally. And ICE is going to arrest them because that is their job, that's the oath they took and that's the law of this nation. The last administration, Alejandro Mayorkas, with everything he did, was borderline treasonous. He told ICE officers, immigration officers who took an oath to enforce law saying, you can't arrest somebody for being here illegally unless he is convicted of a serious offense. He rewrote the immigration law. No. We're letting ICE do their job. And when you're out there looking for that bad guy, if you find an illegal alien, you take him too. He's coming too, and he'll be detained.

We're going to enforce the laws of this country without apologies. Sanctuary cities. So called sanctuary cities, you will get exactly what you don't want. You will get more officers in your neighborhood. You will get more collateral risk because you force this into neighborhoods.

And I'm sick and tired of hearing this talking point. Well, we're a welcoming community. We're sanctuary city and we want victims and witness of a crime that live in the immigrant community to feel safe coming to law enforcement to report that crime. That is a bunch of garbage.

A victim and witness of crime doesn't want the bad guy back out there either. So, what we want is access to the jail. We had no problem when that man (Sheriff Joe Arpaio) was in in office. Matter of fact, he called us up when someone was in jail that we might have missed.

Joe Arpaio. That's the way it should be. If the local law enforcement agency locked somebody in a jail cell, that tells you one thing. He's obviously not a choir boy. He's locked in a jail cell. You locked him in a jail cell for some reason, most likely a public safety threat. Give us access to that guy. That's the guy we want to talk to. We don't want to talk to victim and witness. Matter of fact, the victim came to us. They might even get a visa being a victim of crime. But we don't want to talk about the victim and witness. We don't want to meet them. We want access to the guy you locked up. When you're done with him, give him to us.

If you say, well, the detainer's been litigated, and people don't think that's constitutional. Is making a phone call to us before you release them, is that constitutional? Absolutely, it is. So, for people who say, "Well, a lot of noncriminals in custody, Mr. Homan, you're supposed to be concentrating on criminals." Well, guess why? Because of sanctuary cities. And we're going to keep doing it.

Chicago said I wasn't welcome. And as far as Sanctuary Cities, I've been to Boston. I've been to Chicago. No. Guess where I was day one, the Trump administration? In Chicago. We arrested TDA members. We arrested illegal aliens with firearms. We arrested illegal aliens and drug traffickers. We arrested two illegal aliens that committed homicides. We arrested nine child rapists. I made a speech at CPAC and that made the news, you know, every media, "Homan said he's going to Boston bringing hell with him." Yeah, I said it and I meant it.

Who was I bringing hell to? I was bringing hell to nine illegal aliens that raped a child and weren't turned over to ICE. They'd rather release them into the community. One of the child rapists, it took us two years to find him. How many children did he rape in two years while he walked the streets because that sheriff refused to cooperate with us? So, the number two goal of mine is run this deportation operation. Sanctuary cities are slowing us down because we've got to send a whole team out and look for somebody that doesn't want to be found. But, we're going to keep doing it. We'll double the man force in sanctuary cities because they're a big threat to this nation.

We will win that battle. Thank God we got Pam Bondi. She's one badass AG. She's going to sue the sanctuary cities, she already started.

I try not to curse much. If I offend anybody, I don't care. I don't because I get irritated when I start talking about the false narrative being pushed by the left.

What's the third thing we're doing? Finding missing children. Under the Biden administration, half a million children were smuggled into this country. Taken out of the hands of their families, given to a criminal cartel to be smuggled into this country. And we're the bad guys? All these people who just walked out, what did they do? Did they speak up about that? Did they speak up to the fact that 300,000 of these children can't be found? Because they're released to unvetted sponsors?

The last administration had one goal. Process quick, release quick. Because there's no overcrowding, we can say the border's secure. Nothing to see here. These are children. I guarantee you.

I've been doing this since 1984. Forty years doing this job.

Many of these children are in forced labor or in sex trafficking. Fact. ICE has already found some in forced labor and sex trafficking. Fact.

Well, all these people that walked out caring their signs, do they care? They want to focus on Tom Homan bringing back family detention. Why is Tom Hohman talking about family detention? So we can do a DNA test and make sure that child's with a parent and not a trafficker. We're trying to protect children.

We're doing the right thing. They say, Tom Homan, the father of family separation. Whatever. What we did in the Trump administration during zero tolerance, children and women are being raped on the border every day. A child died on the border every day.

So we said, let's do zero tolerance. Where if you enter the country illegally, which is a crime, we'll prosecute them. And maybe if we prosecute them, they stop coming. They stop putting their children in harm's way. The ladies get out of harm's way of the criminal cartels who don't care about these people.

Studies have been done. Thirty-one percent of women that make that journey get raped by the cartels. So we said, "Let's prosecute and make the numbers drop." So we'll do zero tolerance. Zero tolerance is about saving lives, stopping rapes of women on the border.

And you know what? The border numbers tanked at zero policy. But, you know, families are separated. Just like law enforcement in this room, just like when I was a cop in New York. United States, American families are separated every day by law enforcement. When the parent commits a crime, the child won't go to jail with them. But they want a separate, different set of rules for the illegal aliens.

Well, they're not getting a different set of rules. Zero tolerance worked. The numbers went down. It's sad and unfortunate that families get separated. Law enforcement does it thousands of times again across this country, but there's a good meaning behind it.

They want to keep hammering on family separation under Trump, but we've got a half a million kids put in the hands of criminal cartels being smuggled into this country. They don't say a word about that. If I came here to Arizona next month, I leave my child, even my dog in the backseat of the car to go and get groceries, I'm going to get arrested. Well, half a million people who put their children in hands of criminal cartels and that's okay. Who knows what happened to some of these children?

God help them. Then, they release them to unvetted sponsors. Now they can't find or get responses from 300,000 of them. Well, President Trump's committee will do everything they can to find these kids. But I'm going to admit to you right now, that's the toughest job.

Out of the three things he wants me to do, that's the toughest part of it. Because, everybody in this room, you all have a footprint. You own a car, you own a home, you've got credit cards, you pay bills. We can find you. Children don't have a footprint. Which means we've got to count on the footprint of the sponsor.

Sponsors weren't property vetted, sponsors that weren't fingerprinted, sponsors whose identification they showed wasn't validated. And we wondered why 300,000 can't be found. But no one talks about that.

For the people who just walked out of the room, did they stand up and raise hell about trafficking of children? Did they raise hell about 300,000 missing kids? Did they raise hell about Laken Riley fighting seventeen minutes to survive? That young little girl, picture her last seventeen minutes of life. Terrified little girl, who's being assaulted by a scumbag, fighting every minute to survive. She didn't want to die. How many TDA members came to this country, murdered and raped women, burned a woman alive on a subway? None of them want to talk about that. They can walk out of the room and hold all the signs up that they want. Tom Homan ain't shutting up and Tom Homan ain't going away. So please raise more signs.

I have a lake house Upstate New York up on Lake Ontario where I grew up. Small lake house. I'm up there, my wife's up there most of the summer. I'm up there one weekend a month because my boss makes me work seven days a week. I had a thousand protesters at my lake house this weekend.

You think that's going to stop me? Let me tell you something. I wake up every day tired because my boss, he likes, he wants numbers. He wants results. I'm working every day.

I think since January 20th, my security detail is upset with me because they never get a day off either. But I'm tired. Some mornings I wake up, I'm tired. You know what fires me up? When I read a hit piece. I love it. When I read a hit piece, I mean, it just throws gas in my fire because that means, number one, I'm an open target. Number two, my message is getting out. So hate me all you want.

I don't care. I don't care what anybody thinks about me. Sounds terrible, don't it? But I don't. My wife asked me not too long ago, "You know, babe, does it bother you a big part of this country hate your guts?" Not a bit. Because if they saw what I saw in my forty years, if they saw what the border sheriffs see every day on the border, they'd understand me. But they're ignorant. They don't want to learn.

They don't want to sit there and listen to what I have say. They'd much rather walk out of the room. They should. Because they would be embarrassed of what the last administration has done to this country and what this administration is doing for this country.

So I unretired. My wife's a little pissed off because I keep unretiring. I unretired one time for President Trump, and I remember. Quick story. I'm out to dinner with my wife. First of all, the first day I smiled in the last four years, I think you were there, Joe. I was with the President on election night.

The next morning is the first morning I get up smiling because I knew we're going to fix it. We're going to save lives. I knew he was going to offer me a job. I pretty much knew it. And the first day I woke up I kind of knew, okay, we're going to save lives. We're going to find these missing kids and we're going to secure that border and protect this country. So, I was happy.

A couple weeks later, I'm out to dinner with my wife, and my cell phone rings. I had it sitting on the table, and it says POTUS. My wife looks at it. She goes, "Oh, shit." He's going to want you to go back. I said, I'll take the phone call. So, I took the phone call. The President says, "Tom," which he always says, "Tom, it's your all-time favorite president." I said, "How are you doing, sir?" He goes, "Good." He goes, "Well, you've been bitching about it for four years. You want to fix it?" I said, "Game on."

So I was the first selection. I came back, and I didn't hesitate. Because I take this personal. When you get on your knees to talk to a nine-year-old little girl that's raped multiple times by members of the cartels and everything innocent and pure have been ripped from her, her life will never be the same, you take it personal. When I stand in the back of a tractor trailer with 19 aliens that baked to death, including a five-year-old little boy, how they suffered, what a terrible death, I take it personal.

I've seen a lot of tragedy on the border, and there's a lot less of it now. I'll say it again. When ninety-four percent less people are coming, how many people aren't dying? How many women ain't being raped? How many pounds of fentanyl isn't getting in?

How many known expected terrorists ain't getting in? How many billions that the cartel is not making? My death threats started day one at the Republican National Convention. I made a statement at that convention that President Trump will designate criminal cartels as terrorist organizations, and he will wipe them off the face of the earth. Death threats started the next day from the cartels.

Good. They're listening. Because president Trump will wipe them off the face of the earth within the next couple years. Mark my word. And they should be designated terrorist organizations. I've been talking to President Trump about this for years.

They've killed more Americans than every terrorist organization in the world combined. We're not going to apologize for removing people through the Alien Enemies Act. They're enemies to this country. Tren de Aragua, we know through years of investigation, are embedded within the Venezuelan government, the military and the police.

They send them here to unsettle this country. Whether it's through the deaths of fentanyl or the or the crimes in the city or raping of our children, they come here to cause harm and unsettle this country. They are enemies of this country. President Trump invoked the authority he has under the Alien Enemies Act to get them the hell out of here. Tren de Aragua, MS-13, are now designated terrorist organizations.

We will not apologize for sending two planeloads of terrorists out of this country. I cannot believe any judge will order anybody to bring those two planeloads of terrorists back to this country. President Trump is putting America first. Of course, we're litigating that case. We just had a big win on that yesterday. We're going to keep having wins because President Trump's is putting America first.

He's not going to apologize for removing terrorists from this country, ever. And I will not rest until every member of TDA and MS-13 is eradicated from this country. Then, I'll take a day off. But, until then, hate on me all you want. I know I'm going to have a lot of haters in this room, but I don't give a shit.

We're going to get this job done with no apologies. When we're done, we're going to have the most secure border in the history of this nation. We're going to make this country safer. Every criminal alien we arrest, every gang member we arrest, every TDA, MS-13 member we arrest and get out of the country makes this country much safer. That's what the American people demand from President Trump.

That's the promises he made, and that's why they elected them. And I'm like a kid in the candy store. I work for the greatest president of my lifetime, and I'm not going away anytime soon. So, I'm looking to work with all you. Congratulations to you and the immigration legislation.

I know it's being litigated, but you'll win. So I look forward to being partners. And I got a lot of partners right here in the front row already. I worked with a lot of these folks.

You're going to make Arizona safer. I'm here to help you. Anything you need, you let me know and I'll be there.

God bless you. God bless the state of Arizona. God bless President Trump. God bless United States of America.

BUSINESS ON THE SPEAKER'S DESK

Speaker Pro Tempore Neal Carter announced that, without objection, communications from the Governor as listed on the Calendar would not be read and would be entered in the Journal. Carried.

Communications from Governor Katie Hobbs on disapproval of the following measures were filed:

April 15, 2025

RE: House Bill 2004: voter registration cards; mailing limitation

Speaker Montenegro,

Today, I vetoed House Bill 2004. This bill adds red tape and places unnecessary burdens on lawfully registered voters. We should be making it easier for legal voters to participate in our democratic systems, not harder.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2058: immunizations; proof; exemptions; higher education

Speaker Montenegro,

Today, I vetoed House Bill 2058. The bill is unnecessary, given existing university and community college policies.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2060: sovereign authority; elections

Speaker Montenegro,

Today, I vetoed House Bill 2060. This bill is at odds with federal law and would expose the state to unnecessary and costly litigation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2062: sex-based terms; laws; rules; regulations

Speaker Montenegro,

Today, I vetoed House Bill 2062. This bill will not lower costs, will not increase opportunity, and will not enhance security or freedom for Arizonans. I encourage the Legislature to focus on real issues that matter and impact people's everyday lives.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2063: parental notification; school immunization exemptions

Speaker Montenegro,

Today, I vetoed House Bill 2063. This bill is unnecessary as the information it is trying to disseminate is widely available and easily accessible for those who are interested.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bills 2086, 2088, 2089, 2090, 2094, 2202, 2270

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2086 water improvements program; water hauling
- HB 2088 subsequent AMA; director; removal
- HB 2089 subsequent AMA; voters; removal
- HB 2090 acting in concert; evidence; exceptions
- HB 2094 real estate; definition of contiguous
- HB 2202 subsequent AMA; previously nonirrigated land
- HB 2270 groundwater model; stormwater recharge; AMAs

Each of these bills was sponsored by Representative Gail Griffin. Disappointingly, none of these bills make a difference in solving the water policy challenges that Arizona residents and communities are facing today.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

These bills either weaken rural groundwater protections or make pointless, trivial statutory changes that demean the rural Arizonans who have been asking the Legislature for years to institute meaningful rural groundwater management measures.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations.

My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2126: medical records; parental rights

Speaker Montenegro,

Today, I vetoed House Bill 2126. Patient privacy is a longstanding tenet of American healthcare and this bill would create legal ambiguity for healthcare providers who have existing obligations to patient privacy.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2153: Voting locations; political party observers

Speaker Montenegro,

Today, I vetoed House Bill 2153. While I do not object to uniform laws regarding political party observers, I am concerned this bill will strain the resources of counties that already struggle with recruiting poll workers by adding additional responsibilities to manage observers who would be required to act as challengers.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 15, 2025

RE: House Bill 2165: SNAP; prohibited purchases; waiver

Speaker Montenegro,

Today, I vetoed House Bill 2165. I appreciate your intent to improve the health outcomes of Arizonans. Yet, this legislation unnecessarily deprives Supplemental Nutrition Assistance Program (SNAP) participants of their purchasing power and relegates them to a new underclass of grocery shoppers.

SNAP is the most robust and effective anti-hunger tool we have in Arizona-I know this firsthand. I invite you to join me in more productive efforts to expand opportunities for its participants to purchase fresh foods.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

> While confined here in the Birmingham city jail, I came across your recent statement calling my present activities "unwise and untimely." Seldom do I pause to answer criticism of my work and ideas. If I sought to answer all the criticisms that cross my desk, my secretaries would have little time for anything other than such correspondence in the course of the day, and I would have no time for constructive work. But since I feel that you are men of genuine good will and that your criticisms are sincerely set forth, I want to try to answer your statement in what I hope will be patient and reasonable terms.

> I think I should indicate why I am here in Birmingham, since you have been influenced by the view which argues against "outsiders coming in." I have the honor of serving as president of the Southern Christian Leadership Conference, an organization operating in every southern state, with headquarters in Atlanta, Georgia. We have some eighty five affiliated organizations across the South, and one of them is the Alabama Christian Movement for Human Rights. Frequently we share staff, educational and financial resources with our affiliates. Several months ago the affiliate here in Birmingham asked us to be on call to engage in a nonviolent direct action program if such were deemed necessary. We readily consented, and when the hour came we lived up to our promise. So I, along with several members of my staff, am here because I was invited here. I am here because I have organizational ties here.

But more basically, I am in Birmingham because injustice is here. Just as the prophets of the eighth century B.C. left their villages and carried their "thus saith the Lord" far beyond the boundaries of their home towns, and just as the Apostle Paul left his village of Tarsus and carried the gospel of Jesus Christ to the far corners of the Greco Roman world, so am I compelled to carry the gospel of freedom beyond my own home town. Like Paul, I must constantly respond to the Macedonian call for aid.

Moreover, I am cognizant of the interrelatedness of all communities and states. I cannot sit idly by in Atlanta and not be concerned about what happens in Birmingham. Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly. Never again can we afford to live with the narrow, provincial "outside agitator" idea. Anyone who lives inside the United States can never be considered an outsider anywhere within its bounds.

You deplore the demonstrations taking place in Birmingham. But your statement, I am sorry to say, fails to express a similar concern for the conditions that brought about the demonstrations. I am sure that none of you would want to rest content with the superficial kind of social analysis that deals merely with effects and does not grapple with underlying causes. It is unfortunate that demonstrations are taking place in Birmingham, but it is even more unfortunate that the city's white power structure left the Negro community with no alternative.

In any nonviolent campaign there are four basic steps: collection of the facts to determine whether injustices exist; negotiation; self purification; and direct action. We have gone through all these steps in Birmingham. There can be no gainsaying the fact that racial injustice engulfs this community. Birmingham is probably the most thoroughly segregated city in the United States. Its ugly record of brutality is widely known. Negroes have experienced grossly unjust treatment in the courts. There have been more unsolved bombings of Negro homes and churches in Birmingham than in any other city in the nation. These are the hard, brutal facts of the case. On the basis of these conditions, Negro leaders sought to negotiate with the city fathers. But the latter consistently refused to engage in good faith negotiation.

Then, last September, came the opportunity to talk with leaders of Birmingham's economic community. In the course of the negotiations, certain promises were made by the merchants--for example, to remove the stores' humiliating racial signs. On the basis of these promises, the Reverend Fred Shuttlesworth and the leaders of the Alabama Christian Movement for Human Rights agreed to a moratorium on all demonstrations. As the weeks and months went by, we realized that we were the victims of a broken promise. A few signs, briefly removed, returned; the others remained. As in so many past experiences, our hopes had been blasted, and the shadow of deep disappointment settled upon us. We had no alternative except to prepare for direct action, whereby we would present our very bodies as a means of laying our case before the conscience of the local and the national community. Mindful of the difficulties involved, we decided to undertake a process of self-purification. We began a series of workshops on nonviolence, and we repeatedly asked ourselves "Are you able to accept blows without retaliating?" "Are you able to endure the ordeal of jail?" We decided to schedule our direct action program for the Easter season, realizing that except for Christmas, this is the main shopping period of the year. Knowing that a strong economic-withdrawal program would be the byproduct of direct action, we felt that this would be the best time to bring pressure to bear on the merchants for the needed change.

Then it occurred to us that Birmingham's mayoral election was coming up in March, and we speedily decided to postpone action until after election day. When we discovered that the Commissioner of Public Safety, Eugene "Bull" Connor, had piled up enough votes to be in the run off, we decided again to postpone action until the day after the run off so that the demonstrations could not be used to cloud the issues. Like many others, we waited to see Mr. Connor defeated, and to this end we endured postponement after postponement. Having aided in this community need, we felt that our direct action program could be delayed no longer.

You may well ask "Why direct action? Why sit ins, marches and so forth? Isn't negotiation a better path?" You are quite right in calling for negotiation. Indeed, this is the very purpose of direct action. Nonviolent direct action seeks to create such a crisis and foster such a tension that a community which has constantly refused to negotiate is forced to confront the issue. It seeks so to dramatize the issue that it can no longer be ignored. My citing the creation of tension as part of the work of the nonviolent resister may sound rather shocking. But I must confess that I am not afraid of the word "tension." I have earnestly opposed violent tension, but there is a type of constructive, nonviolent tension which is necessary for growth. Just as Socrates felt that it was necessary to create a tension in the mind so that individuals could rise from the bondage of myths and half truths to the unfettered realm of creative analysis and objective appraisal, so must we see the need for nonviolent gadflies to create the kind of tension in society that will help men rise from the dark depths of prejudice and racism to the majestic heights of understanding and brotherhood. The purpose of our direct action program is to create a situation so crisis packed that it will inevitably open the door to negotiation. I therefore concur with you in your call for negotiation. Too long has our beloved Southland been bogged down in a tragic effort to live in monologue rather than dialogue.

One of the basic points in your statement is that the action that I and my associates have taken in Birmingham is untimely. Some have asked: "Why didn't you give the new city administration time to act?" The only answer that I can give to this query is that the new administration must be prodded about as much as the outgoing one, before it will act. We are sadly mistaken if we feel that the election of Albert Boutwell as mayor will bring the millennium to Birmingham. While Mr. Boutwell is a much more gentle person than Mr. Connor, they are both segregationists, dedicated to maintenance of the status quo. I have hope that Mr. Boutwell will be reasonable enough to see the futility of massive resistance to desegregation. But he will not see this without pressure from devotees of civil rights. My friends, I must say to you that we have not made a single gain in civil rights without determined legal and nonviolent pressure. Lamentably, it is an historical fact that privileged groups seldom give up their privileges voluntarily. Individuals may see the moral light and voluntarily give up their unjust posture; but, as Reinhold Niebuhr has reminded us, groups tend to be more immoral than individuals.

We know through painful experience that freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed. Frankly, I have yet to engage in a direct action campaign that was "well timed" in the view of those who have not suffered unduly from the disease of segregation. For years now I have heard the word "Wait!" It rings in the ear of every Negro with piercing familiarity. This "Wait" has almost always meant "Never." It has been a tranquilizing Thalidomide, relieving the emotional stress for a moment, only to give birth to an ill-formed infant of frustration. We must come to see, with one of our distinguished jurists, that "justice too long delayed is justice denied."

We have waited for more than 340 years for our constitutional and God given rights. The nations of Asia and Africa are moving with jetlike speed toward gaining political independence, but we still creep at horse and buggy pace toward gaining a cup of coffee at a lunch counter. Perhaps it is easy for those who have never felt the stinging darts of segregation to say, "Wait." But when you have seen vicious mobs lynch your mothers and fathers at will and drown your sisters and brothers at whim; when you have seen hate filled policemen curse, kick and even kill your black brothers and sisters; when you see the vast majority of your twenty million Negro brothers smothering in an airtight cage of poverty in the midst of an affluent society; when you suddenly find your tongue twisted and your speech stammering as you seek to explain to your six year old daughter why she can't go to the public amusement park that has just been advertised on television, and see tears welling up in her little eyes when she is told that Funtown is closed to colored children, and see ominous clouds of inferiority beginning to form in her little mental sky, and see her beginning to distort her personality by developing an unconscious bitterness toward white people; when you have to concoct an answer for a five year old son who is asking: "Daddy, why do white people treat colored people so mean?"; when you take a cross country drive and find it necessary to sleep night after night in the uncomfortable corners of your automobile because no motel will accept you; when you are humiliated day in and day out by nagging signs reading "white" and "colored;" when your first name becomes "nigger," your middle name becomes "boy" (however old you are) and your last name becomes "John," and when your wife and mother are never given the respected title "Mrs.;" when you are harried by day and haunted by night by the fact that you are a Negro, living constantly at tiptoe stance, never quite knowing what to expect next, and are plagued with inner fears and outer resentments; when you are forever fighting a degenerating sense of "nobodiness" then you will understand why we find it difficult to wait. There comes a time when the cup of endurance runs over, and men are no longer willing to be plunged into the abyss of despair. I hope, Sirs, you can understand our legitimate and unavoidable impatience.

You express a great deal of anxiety over our willingness to break laws. This is certainly a legitimate concern. Since we so diligently urge people to obey the Supreme Court's decision of 1954 outlawing segregation in the public schools, at first glance it may seem rather paradoxical for us consciously to break laws. One may well ask, "how can you advocate breaking some laws and obeying others?" The answer lies in the fact that there are two types of laws: just and unjust. I would be the first to advocate obeying just laws. One has not only a legal but a moral responsibility to obey just laws. Conversely, one has a moral responsibility to disobey unjust laws. I would agree with St. Augustine that "an unjust law is no law at all."

Now what is the difference between the two? How does one determine whether a law is just or unjust? A just law is a man made code that squares with the moral law or the law of God. An unjust law is a code that is out of harmony with the moral law. To put it in the terms of St. Thomas Aquinas: An unjust law is a human law that is not rooted in eternal law and natural law. Any law that uplifts human personality is just. Any law that degrades human personality is unjust. All segregation statutes are unjust because segregation distorts the soul and damages the personality. It gives the segregator a false sense of superiority and the segregated a false sense of inferiority. Segregation, to use the terminology of the great Jewish philosopher Martin Buber, substitutes an "I it" relationship for an "I thou" relationship and ends up relegating persons to the status of things. Hence segregation is not only politically, economically and sociologically unsound, it is morally wrong and sinful. Paul Tillich has said that sin is separation. Is not segregation an existential expression of man's tragic separation, his awful estrangement, his terrible sinfulness? Thus it is that I can urge men to obey the 1954 decision of the Supreme Court, for it is morally right; and I can urge them to disobey segregation ordinances, for they are morally wrong.

Let us consider a more concrete example of just and unjust laws. An unjust law is a code that a numerical or power majority group compels a minority group to obey but does not make binding on itself. This is difference made legal. By the same token, a just law is a code that a majority compels a minority to follow and that it is willing to follow itself. This is sameness made legal. Let me give another explanation. A law is unjust if it is inflicted on a minority that, as a result of being denied the right to vote, had no part in enacting or devising the law. Who can say that the legislature of Alabama which set up that state's segregation laws was democratically elected? Throughout Alabama all sorts of devious methods are used to prevent Negroes from becoming registered voters, and there are some counties in which, even though Negroes constitute a majority of the population, not a single Negro is registered. Can any law enacted under such circumstances be considered democratically structured?

Sometimes a law is just on its face and unjust in its application. For instance, I have been arrested on a charge of parading without a permit. Now, there is nothing wrong in having an ordinance which requires a permit for a parade. But such an ordinance becomes unjust when it is used to maintain segregation and to deny citizens the First Amendment privilege of peaceful assembly and protest.

I hope you are able to see the distinction I am trying to point out. In no sense do I advocate evading or defying the law, as would the rabid segregationist. That would lead to anarchy. One who breaks an unjust law must do so openly, lovingly, and with a willingness to accept the penalty. I submit that an individual who breaks a law that conscience tells him is unjust, and who willingly accepts the penalty of imprisonment in order to arouse the conscience of the community over its injustice, is in reality expressing the highest respect for law.

Of course, there is nothing new about this kind of civil disobedience. It was evidenced sublimely in the refusal of Shadrach, Meshach and Abednego to obey the laws of Nebuchadnezzar, on the ground that a higher moral law was at stake. It was practiced superbly by the early Christians, who were willing to face hungry lions and the excruciating pain of chopping blocks rather than submit to certain unjust laws of the Roman Empire. To a degree, academic freedom is a reality today because Socrates practiced civil disobedience. In our own nation, the Boston Tea Party represented a massive act of civil disobedience.

We should never forget that everything Adolf Hitler did in Germany was "legal" and everything the Hungarian freedom fighters did in Hungary was "illegal." It was "illegal" to aid and comfort a Jew in Hitler's Germany. Even so, I am sure that, had I lived in Germany at the time, I would have aided and comforted my Jewish brothers. If today I lived in a communist country where certain principles dear to the Christian faith are suppressed, I would openly advocate disobeying that country's antireligious laws.

I must make two honest confessions to you, my Christian and Jewish brothers. First, I must confess that over the past few years I have been gravely disappointed with the white moderate. I have almost reached the regrettable conclusion that the Negro's great stumbling block in his stride toward freedom is not the White Citizen's Council-er or the Ku Klux Klanner, but the white moderate, who is more devoted to "order" than to justice; who prefers a negative peace which is the absence of tension to a positive peace which is the presence of justice; who constantly says: "I agree with you in the goal you seek, but I cannot agree with your methods of direct action"; who paternalistically believes that he can set the time-table for another man's freedom; who lives by a mythical concept of time and who constantly advises the Negro to wait for a "more convenient season." Shallow understanding from people of good will is more frustrating than absolute misunderstanding from people of ill will. Lukewarm acceptance is much more bewildering than outright rejection.

I had hoped that the white moderate would understand that law and order exist for the purpose of establishing justice and that when they fail in this purpose they become the the dangerously structured dams that block the flow of social progress. I had hoped that the white moderate would understand that the present tension in the South is a necessary phase of the transition from an obnoxious negative peace, in which the Negro passively accepted his unjust plight, to a substantive and positive peace, in which all men will respect the dignity and worth of human personality. Actually, we who engage in nonviolent direct action are not the creators of tension. We merely bring to the surface the hidden tension that is already alive. We bring it out in the open, where it can be seen and dealt with. Like a boil that can never be cured so long as it is covered up but must be opened with all its ugliness to the natural medicines of air and light, injustice must be exposed, with all the tension its exposure creates, to the light of human conscience and the air of national opinion before it can be cured.

In your statement you assert that our actions, even though peaceful, must be condemned because they precipitate violence. But is this a logical assertion? Isn't this like condemning a robbed man because his possession of money precipitated the evil act of robbery? Isn't this like condemning Socrates because his unswerving commitment to truth and his philosophical inquiries precipitated the act by the misguided populace in which they made him drink hemlock? Isn't this like condemning Jesus because his unique God consciousness and never ceasing devotion to God's will precipitated the evil act of crucifixion? We must come to see that, as the federal courts have consistently affirmed, it is wrong to urge an individual to cease his efforts to gain his basic constitutional rights because the quest may precipitate violence. Society must protect the robbed and punish the robber. I had also hoped that the white moderate would reject the myth concerning time in relation to the struggle for freedom. I have just received a letter from a white brother in Texas. He writes: "All Christians know that the colored people will receive equal rights eventually, but it is possible that you are in too great a religious hurry. It has taken Christianity almost two thousand years to accomplish what it has. The teachings of Christ take time to come to earth." Such an attitude stems from a tragic misconception of time, from the strangely irrational notion that there is something in the very flow of time that will inevitably cure all ills. Actually, time itself is neutral; it can be used either destructively or constructively. More and more I feel that the people of ill will have used time much more effectively than have the people of good will. We will have to repent in this generation not merely for the hateful words and actions of the bad people but for the appalling silence of the good people. Human progress never rolls in on wheels of inevitability; it comes through the tireless efforts of men willing to be co workers with God, and without this hard work, time itself becomes an ally of the forces of social stagnation. We must use time creatively, in the knowledge that the time is always ripe to do right. Now is the time to make real the promise of democracy and transform our pending national elegy into a creative psalm of brotherhood. Now is the time to lift our national policy from the quicksand of racial injustice to the solid rock of human dignity.

You speak of our activity in Birmingham as extreme. At first I was rather disappointed that fellow clergymen would see my nonviolent efforts as those of an extremist. I began thinking about the fact that I stand in the middle of two opposing forces in the Negro community. One is a force of complacency, made up in part of Negroes who, as a result of long years of oppression, are so drained of self respect and a sense of "somebodiness" that they have adjusted to segregation; and in part of a few middle-class Negroes who, because of a degree of academic and economic security and because in some ways they profit by segregation, have become insensitive to the problems of the masses. The other force is one of bitterness and hatred, and it comes perilously close to advocating violence. It is expressed in the various black nationalist groups that are springing up across the nation, the largest and best known being Elijah Muhammad's Muslim movement. Nourished by the Negro's frustration over the continued existence of racial discrimination, this movement is made up of people who have lost faith in America, who have absolutely repudiated Christianity, and who have concluded that the white man is an incorrigible "devil."

I have tried to stand between these two forces, saying that we need emulate neither the "do nothingism" of the complacent nor the hatred and despair of the black nationalist. For there is the more excellent way of love and nonviolent protest. I am grateful to God that, through the influence of the Negro church, the way of nonviolence became an integral part of our struggle. If this philosophy had not emerged, by now many streets of the South would, I am convinced, be flowing with blood. And I am further convinced that if our white brothers dismiss as "rabble rousers" and "outside agitators" those of us who employ nonviolent direct action, and if they refuse to support our nonviolent efforts, millions of Negroes will, out of frustration and despair, seek solace and security in black nationalist ideologies--a development that would inevitably lead to a frightening racial nightmare.

Oppressed people cannot remain oppressed forever. The yearning for freedom eventually manifests itself, and that is what has happened to the American Negro. Something within has reminded him of his birthright of freedom, and something without has reminded him that it can be gained. Consciously or unconsciously, he has been caught up by the Zeitgeist, and with his black brothers of Africa and his brown and yellow brothers of Asia, South America and the Caribbean, the United States Negro is moving with a sense of great urgency toward the promised land of racial justice. If one recognizes this vital urge that has engulfed the Negro community, one should readily understand why public demonstrations are taking place. The Negro has many pent up resentments and latent frustrations, and he must release them. So let him march; let him make prayer pilgrimages to the city hall; let him go on freedom rides -and try to understand why he must do so. If his repressed emotions are not released in nonviolent ways, they will seek expression through violence; this is not a threat but a fact of history. So I have not said to my people: "Get rid of your discontent." Rather, I have tried to say that this normal and healthy discontent can be channeled into the creative outlet of nonviolent direct action. And now this approach is being termed extremist. But though I was initially disappointed at being categorized as an extremist, as I continued to think about the matter I gradually gained a measure of satisfaction from the label. Was not Jesus an extremist for love: "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you." Was not Amos an extremist for justice: "Let justice roll down like waters and righteousness like an ever flowing stream." Was not Paul an extremist for the Christian gospel: "I bear in my body the marks of the Lord Jesus." Was not Martin Luther an extremist: "Here I stand; I cannot do otherwise, so help me God." And John Bunyan: "I will stay in jail to the end of my days before I make a butchery of my conscience." And Abraham Lincoln: "This nation cannot survive half slave and half free." And Thomas Jefferson: "We hold these truths to be self evident, that all men are created equal . . ." So the question is not whether we will be extremists, but what kind of extremists we will be. Will we be extremists for hate or for love? Will we be extremists for the preservation of injustice or for the extension of justice? In that dramatic scene on Calvary's hill three men were crucified. We must never forget that all three were crucified for the same crime--the crime of extremism. Two were extremists for immorality, and thus fell below their environment. The other, Jesus Christ, was an extremist for love, truth and goodness, and thereby rose above his environment. Perhaps the South, the nation and the world are in dire need of creative extremists.

I had hoped that the white moderate would see this need. Perhaps I was too optimistic; perhaps I expected too much. I suppose I should have realized that few members of the oppressor race can understand the deep groans and passionate yearnings of the oppressed race, and still fewer have the vision to see that injustice must be rooted out by strong, persistent and determined action. I am thankful, however, that some of our white brothers in the South have grasped the meaning of this social revolution and committed themselves to it. They are still all too few in quantity, but they are big in quality. Some - such as Ralph McGill, Lillian Smith, Harry Golden, James McBride Dabbs, Ann Braden and Sarah Patton Boyle--have written about our struggle in eloquent and prophetic terms. Others have marched with us down nameless streets of the South. They have languished in filthy, roach infested jails, suffering the abuse and brutality of policemen who view them as "dirty nigger-lovers." Unlike so many of their moderate brothers and sisters, they have recognized the urgency of the moment and sensed the need for powerful "action" antidotes to combat the disease of segregation. Let me take note of my other major disappointment. I have been so greatly disappointed with the white church and its leadership. Of course, there are some notable exceptions. I am not unmindful of the fact that each of you has taken some significant stands on this issue. I commend you, Reverend Stallings, for your Christian stand on this past Sunday, in welcoming Negroes to your worship service on a nonsegregated basis. I commend the Catholic leaders of this state for integrating Spring Hill College several years ago.

But despite these notable exceptions, I must honestly reiterate that I have been disappointed with the church. I do not say this as one of those negative critics who can always find something wrong with the church. I say this as a minister of the gospel, who loves the church; who was nurtured in its bosom; who has been sustained by its spiritual blessings and who will remain true to it as long as the cord of life shall lengthen.

When I was suddenly catapulted into the leadership of the bus protest in Montgomery, Alabama, a few years ago, I felt we would be supported by the white church. I felt that the white ministers, priests and rabbis of the South would be among our strongest allies. Instead, some have been outright opponents, refusing to understand the freedom movement and misrepresenting its leaders; all too many others have been more cautious than courageous and have remained silent behind the anesthetizing security of stained glass windows.

In spite of my shattered dreams, I came to Birmingham with the hope that the white religious leadership of this community would see the justice of our cause and, with deep moral concern, would serve as the channel through which our just grievances could reach the power structure. I had hoped that each of you would understand. But again I have been disappointed.
I have heard numerous southern religious leaders admonish their worshipers to comply with a desegregation decision because it is the law, but I have longed to hear white ministers declare: "Follow this decree because integration is morally right and because the Negro is your brother." In the midst of blatant injustices inflicted upon the Negro, I have watched white churchmen stand on the sideline and mouth pious irrelevancies and sanctimonious trivialities. In the midst of a mighty struggle to rid our nation of racial and economic injustice, I have heard many ministers say: "Those are social issues, with which the gospel has no real concern." And I have watched many churches commit themselves to a completely other worldly religion which makes a strange, un-Biblical distinction between body and soul, between the sacred and the secular.

I have traveled the length and breadth of Alabama, Mississippi and all the other southern states. On sweltering summer days and crisp autumn mornings I have looked at the South's beautiful churches with their lofty spires pointing heavenward. I have beheld the impressive outlines of her massive religious education buildings. Over and over I have found myself asking: "What kind of people worship here? Who is their God? Where were their voices when the lips of Governor Barnett dripped with words of interposition and nullification? Where were they when Governor Wallace gave a clarion call for defiance and hatred? Where were their voices of support when bruised and weary Negro men and women decided to rise from the dark dungeons of complacency to the bright hills of creative protest?"

Yes, these questions are still in my mind. In deep disappointment I have wept over the laxity of the church. But be assured that my tears have been tears of love. There can be no deep disappointment where there is not deep love. Yes, I love the church. How could I do otherwise? I am in the rather unique position of being the son, the grandson and the great grandson of preachers. Yes, I see the church as the body of Christ. But, oh! How we have blemished and scarred that body through social neglect and through fear of being nonconformists.

There was a time when the church was very powerful--in the time when the early Christians rejoiced at being deemed worthy to suffer for what they believed. In those days the church was not merely a thermometer that recorded the ideas and principles of popular opinion; it was a thermostat that transformed the mores of society. Whenever the early Christians entered a town, the people in power became disturbed and immediately sought to convict the Christians for being "disturbers of the peace" and "outside agitators."' But the Christians pressed on, in the conviction that they were "a colony of heaven," called to obey God rather than man. Small in number, they were big in commitment. They were too God-intoxicated to be "astronomically intimidated." By their effort and example they brought an end to such ancient evils as infanticide and gladiatorial contests. Things are different now. So often the contemporary church is a weak, ineffectual voice with an uncertain sound. So often it is an archdefender of the status quo. Far from being disturbed by the presence of the church, the power structure of the average community is consoled by the church's silent--and often even vocal--sanction of things as they are.

But the judgment of God is upon the church as never before. If today's church does not recapture the sacrificial spirit of the early church, it will lose its authenticity, forfeit the loyalty of millions, and be dismissed as an irrelevant social club with no meaning for the twentieth century. Every day I meet young people whose disappointment with the church has turned into outright disgust.

Perhaps I have once again been too optimistic. Is organized religion too inextricably bound to the status quo to save our nation and the world? Perhaps I must turn my faith to the inner spiritual church, the church within the church, as the true ekklesia and the hope of the world. But again I am thankful to God that some noble souls from the ranks of organized religion have broken loose from the paralyzing chains of conformity and joined us as active partners in the struggle for freedom. They have left their secure congregations and walked the streets of Albany, Georgia, with us. They have gone down the highways of the South on tortuous rides for freedom. Yes, they have gone to jail with us. Some have been dismissed from their churches, have lost the support of their bishops and fellow ministers. But they have acted in the faith that right defeated is stronger than evil triumphant. Their witness has been the spiritual salt that has preserved the true meaning of the gospel in these troubled times. They have carved a tunnel of hope through the dark mountain of disappointment. I hope the church as a whole will meet the challenge of this decisive hour. But even if the church does not come to the aid of justice, I have no despair about the future. I have no fear about the outcome of our struggle in Birmingham, even if our motives are at present misunderstood. We will reach the goal of freedom in Birmingham and all over the nation, because the goal of America is freedom. Abused and scorned though we may be, our destiny is tied up with America's destiny. Before the pilgrims landed at Plymouth, we were here. Before the pen of Jefferson etched the majestic words of the Declaration of Independence across the pages of history, we were here. For more than two centuries our forebears labored in this country without wages; they made cotton king; they built the homes of their masters while suffering gross injustice and shameful humiliation -and yet out of a bottomless vitality they continued to thrive and develop. If the inexpressible cruelties of slavery could not stop us, the opposition we now face will surely fail. We will win our freedom because the sacred heritage of our nation and the eternal will of God are embodied in our echoing demands. Before closing I feel impelled to mention one other point in your statement that has troubled me profoundly. You warmly commended the Birmingham police force for keeping "order" and "preventing violence." I doubt that you would have so warmly commended the police force if you had seen its dogs sinking their teeth into unarmed, nonviolent Negroes. I doubt that you would so quickly commend the policemen if you were to observe their ugly and inhumane treatment of Negroes here in the city jail; if you were to watch them push and curse old Negro women and young Negro girls; if you were to see them slap and kick old Negro men and young boys; if you were to observe them, as they did on two occasions, refuse to give us food because we wanted to sing our grace together. I cannot join you in your praise of the Birmingham police department.

It is true that the police have exercised a degree of discipline in handling the demonstrators. In this sense they have conducted themselves rather "nonviolently" in public. But for what purpose? To preserve the evil system of segregation.

POINT OF ORDER

*During Personal Privilege, a point of order was raised by Member Gutierrez, pursuant to House Rule 19(A), stating that comments by Member Livingston that the Governor was in her ivory tower drinking wine was personally offensive. BUSINESS ON THE SPEAKER'S DESK

Speaker Pro Tempore Neal Carter announced that, without objection, communications from the Governor as listed on the Calendar would not be read and would be entered in the Journal. Carried.

A communication from Governor Katie Hobbs on the approval of the following measures was filed:

House Bills 2009, 2079, 2295, 2342, 2432, 2514, 2577, 2607, 2627, 2653, 2657, 2733, 2737, 2741 and 2765; Senate Bills 1006, 1009, 1021, 1035, 1047, 1106, 1120, 1163, 1206, 1219, 1220, 1308, 1333, 1344, 1424, 1461, 1494, 1525, 1543, 1551, 1585, 1700 and 1730, signed April 18, 2025

Communications from Governor Katie Hobbs on disapproval of the following measures were filed:

April 18, 2025

RE: House Bill 2006: election mailings; third-party disclosures

Speaker Montenegro,

Today, I vetoed House Bill 2006. The broad language of the bill could inadvertently discourage qualified citizens from registering to vote.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2007: voter registrations; payment prohibited

Speaker Montenegro,

Today, I vetoed House Bill 2007. While I appreciate the goal of reducing errors on voter registration forms, I will not sign legislation that hinders voter registration efforts based on speculation. Voter registration forms that do not meet Arizona's requirements will continue to be rejected by counties.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2169: school districts; board meetings; expenditures

Speaker Montenegro,

Today, I vetoed House Bill 2169. I am concerned about unintended consequences of this bill, including adverse impacts on interscholastic activities. More work is needed to refine this bill.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2257 DCS; vaccinations; child placement

Speaker Montenegro,

Today, I vetoed House Bill 2257. This legislation is unnecessary. Our state's greatest need for community foster homes is for older children in the custody of the Arizona Department of Child Safety (DCS)-which this bill does nothing to address. And, consistent with state statute, DCS affords biological parents of young foster children discretion regarding medical care to enable appropriate kinship placements in the best interest of the child.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bills 2271, 2551, 2573, 2574

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2271 supply and demand; assessment; groundwater
- HB 2551 grandfathered right; Willcox AMA; extension
- HB 2573 groundwater; plants; wine grapes; non-irrigation
- HB 2574 small land subdivision; requirements

Each of these bills has a connection with groundwater policy in rural Arizona. Yet again, I am disappointed that none of these bills would make a difference in solving the water policy challenges that Arizona residents and communities are facing today.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations.

My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2375: children with disabilities; evaluation; deadline

Speaker Montenegro,

Today, I vetoed House Bill 2375. This bill fails to recognize the realities of public school staffing over the summer and provides no financial support for adequate implementation. Additionally, I am concerned that this will impact the quality of evaluations due to the lack of classroom observation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2515: truth in taxation; bonds; notices

Speaker Montenegro,

Today, I vetoed House Bill 2515. Election laws should not be changed based on the expression of messaging with which we do not agree. I have confidence that Arizona voters understand what they are doing when they vote in a bond election.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2527: corporation commission; electricity; reliability; management

Speaker Montenegro,

Today, I vetoed House Bill 2527. As Arizona's economy continues to grow, so does the demand for electricity. Arizona has remained competitive in the global market because we have a diverse and reliable grid. Bills like this one that seek to disincentivize, deprioritize, or otherwise limit new renewable energy projects directly threaten Arizona's energy workforce growth and the associated potential for lowered energy bills, while at the same time putting our grid reliability at risk. We should take an all-of-the-above approach to energy, not have government regulators force energy sources on Arizona families.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2541: DCS; hearings; complete disclosure requirements

Speaker Montenegro,

Today, I vetoed House Bill 2541. This legislation is overly broad and would require significant operational enhancements to implement. My Administration is open to continued conversations on right-sizing this approach and evaluating the resources required to make these legal disclosures timely and useful.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2576: notice; violation; deficiency correction

Speaker Montenegro,

Today, I vetoed House Bill 2576. This bill harms the ability of state agencies to conduct their inspections, compliance, and enforcement programs, threatening the health and safety of Arizona consumers.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2640: school districts; leases; termination; nonrenewal

Speaker Montenegro,

Today, I vetoed House Bill 2640. While sufficient time for public comment and discussion is critical in school district governing board decisions, I cannot support wholesale attempts to retroactively undo decisions of elected school district governing boards.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2649: electoral college; support

Speaker Montenegro,

Today, I vetoed House Bill 2649. As I said when I vetoed an identical bill in 2023, this bill, which solely expresses a legislative opinion and does not make or change substantive policy, would be better served as a House Resolution. My position has not changed.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2670: health education; fetal development instruction

Speaker Montenegro,

Today, I vetoed House Bill 2670. The State Board of Education and schools are the appropriate entities to discuss instructional requirements, not the Legislature. This conflicts with Arizona's opt-in sex education requirements and will create confusion in implementation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2774: small modular reactors; co-location

Speaker Montenegro,

Today, I vetoed House Bill 2774. Arizona benefits from having the second-largest nuclear power plant in the nation, providing clean baseload energy generation to power our communities. I am supportive of conversations around the responsible adoption of emerging energy technologies, including the potential deployment of small modular reactors that may help address generation capacity concerns.

Unfortunately, this bill puts the cart before the horse by providing broad exemptions for a technology that has yet to be commercially operationalized anywhere in the nation.

I look forward to engaging in further conversations that will deliver responsible policy that enables the deployment of emerging energy technologies like small modular reactors.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2788: utility; resource plan; commission review

Speaker Montenegro,

Today, I vetoed House Bill 2788. Policies that lead to families and businesses benefiting from a responsible, reliable, and affordable energy grid is core to my vision of a 21st century clean energy economy in Arizona. While the current review process may benefit from updates, adjustments to the process should not bar updates that work against building an energy economy of the future.

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2814: noncustodial federal monies; appropriation

Speaker Montenegro,

Today, I vetoed House Bill 2814. This bill would create challenges for the State budget process and could upend important programs upon which Arizonans rely.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2906: financial technology; digital assets program

Speaker Montenegro,

Today, I vetoed House Bill 2906. I have heard concerns from county treasurers across Arizona about the operational, legal and accounting challenges this legislation poses. I encourage the sponsor to work with stakeholders on a solution.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: House Bill 2920: qualifying tax rate; tax bill

Speaker Montenegro,

Today, I vetoed House Bill 2920. Property tax statements currently delineate school district taxes for operational and voter-approved purposes, and school districts cannot increase property taxes unless specifically allowed by law.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1027: critical telecommunications infrastructure; construction requirements

President Petersen,

Today, I vetoed SB 1027. We need to take necessary steps to protect our critical infrastructure, but SB 1027 is not a realistic way to do so. This bill's broad language would create undue difficulty for the business community and generate costs to taxpayers.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1066: foreign entities; land; legislative approval

President Petersen,

Today, I vetoed Senate Bill 1066. This bill lacks clear implementation criteria which could open the door to arbitrary enforcement and infringement on due process. It also conflicts with federal law.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1071: SNAP; TANF; public welfare; verification

President Petersen,

Today, I vetoed Senate Bill 1071. This legislation is duplicative and costly.

SNAP is the most robust and effective anti-hunger tool we have in Arizona-I know this firsthand. Instead of creating needless frustration for Arizona families, I invite you to join me in more targeted efforts to secure transactions and prevent theft that robs eligible SNAP participants of their benefits.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1072: medical boards; complaints; time limit

President Petersen,

Today, I vetoed Senate Bill 1072. Every complaint that is properly before the Medical Board or the Board of Osteopathic Examiners pertains to the health and safety of Arizonans. This bill risks confusion among physicians and the public.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1087: residential contractor assessments; recovery fund

President Petersen,

This bill harms the state's ability to assist homeowners who have been harmed or defrauded by contractors. The better approach for homeowners is to increase the limit on claims as in SB 1524.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1123: watermark; paper ballots

President Petersen,

Today, I vetoed Senate Bill 1123. I am confident in the ability of Arizona's elections officials to administer free and fair elections without added expense and complexity.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1164: immigration laws; local enforcement

President Petersen,

Today, I vetoed Senate Bill 1164.

Arizonans, not Washington, DC politicians, must decide what's best for Arizona.

You and I both disagreed with the previous administration's immigration policies, and we may both disagree with the next administration's immigration policies. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state and local officials to take marching orders from Washington, DC.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1309: public utilities; electric grid improvements

President Petersen,

Today, I vetoed Senate Bill 1309. As Arizona's economy continues to grow, so does the demand for electricity. Arizona has a strong reputation for our outstanding grid reliability, and in order to remain competitive in the global market, we must be able to continue that legacy. This bill fails to define specific standards and thus would create regulatory uncertainty that threatens our economic growth.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1441: school districts; partisan elections

President Petersen,

Today, I vetoed Senate Bill 1441. As I said in my veto letter last session when you sent me this same bill, partisan politics do not belong in Arizona's schools.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1501: grid security; cybersecurity; reviews; commission

President Petersen,

Today, I vetoed Senate Bill 1501. I share the mission of ensuring Arizona's energy system is secure and reliable. However, this bill greatly expands energy planning requirements without the financial support necessary to administer such a sweeping new program.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1584: public employees; merit; hiring practices

President Petersen,

Today, I vetoed Senate Bill 1584. The State does not mandate any composition of its workforce and already has a merit-focused hiring system in an effort to recruit the best possible talent into the ranks of public service. However, the State does provide some preference for Veterans. Not only does this bill attempt to solve a problem that doesn't exist, it could impact employment opportunities for Veterans in the state. It is unfortunate that the legislature would send me a bill that could limit the State from providing opportunities to those who made great sacrifices to serve our country.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

April 18, 2025

RE: Senate Bill 1721: egg-laying hens; housing size standards

President Petersen,

Today, I vetoed Senate Bill 1721. In March, I directed the Arizona Department of Agriculture to enter into rulemaking to extend the deadline for implementation of Arizona's cage-free egg rule out of concern that pausing egg production during the conversion to cage-free barns would further increase egg prices.

It is important however that this Department retain its ability to regulate space standards for egg-laying hens. Removing this ability entirely could have serious implications in the future if action is needed to protect human health or animal welfare.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

>
> Speaker Montenegro,
>
> Today, I vetoed House Bill 2099. When I assumed the role of Governor, I pledged to uphold both the U.S. Constitution and the Arizona Constitution, as did each of you.
>
> Arizonans, not Washington, DC politicians, must decide what's best for Arizona. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state officials to take marching orders from Washington, DC. My focus will always be on delivering real results for Arizonans.

Sincerely,

RE: House Bills 2203 and 2572

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2203 historical water use; subsequent AMA
- HB 2572 subsequent AMAs; groundwater rights; adequacy

Yet again, I am disappointed that neither of these bills would move toward solving the water policy challenges that Arizona residents and communities are facing today. To see more effort misspent on pointless bills that would only weaken groundwater protections is a continued affront to rural Arizonans who have asked their legislature for years to address rural groundwater challenges.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations. My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bill 2438: birth certificates; amendments; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2438. This bill will not lower costs, will not increase opportunity, and will not enhance security or freedom for Arizonans. I encourage the Legislature to focus on real issues that matter and impact people's everyday lives.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: House Bill 2449: AHCCCS; enrollment verification; presumptive eligibility

Speaker Montenegro,

Today, I vetoed House Bill 2449. The Arizona Health Care Cost Containment System (AHCCCS) already has a number of efficient and effective member eligibility processes. This legislation would expend state resources on inefficient administrative redundancies with no clear return on investment.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: House Bill 2693: genetic sequencing; insurance; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2693. This bill is unnecessary.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1025: public monies; investment; virtual currency

President Petersen,

Today, I vetoed Senate Bill 1025. The Arizona State Retirement System is one of the strongest in the nation because it makes sound and informed investments. Arizonans' retirement funds are not the place for the state to try untested investments like virtual currency.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1086: transportation system performance; ADOT

President Petersen,

Today, I vetoed Senate Bill 1086. I know transportation and driver safety is not a concern for the bill sponsor given his track record, but I take the responsibility of keeping our roads safe very seriously.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1089: ADOT; report; construction projects; bidders

President Petersen,

Today, I vetoed Senate Bill 1089. This bill is Detrimental, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1256: diversity; equity; inclusion; training; prohibition

President Petersen,

Today, I vetoed Senate Bill 1256. This bill is Detrimental, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1280: cast vote record; public record

President Petersen,

Today, I vetoed Senate Bill 1280. As Secretary of State, I protected the right of every Arizonan to make their voice heard at the ballot box. This bill would place constitutionally protected voter privacy at risk.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1296: unemployment benefits; requirements; disqualifications; determinations

President Petersen,

Today, I vetoed Senate Bill 1296. This legislation creates unnecessary delays for workers, burdens for employers, and costs for the State.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1375: voter registration rolls; internet access

President Petersen,

Today, I vetoed Senate Bill 1375. This bill fails to adequately safeguard voter registration information from being redistributed or posted online, and therefore poses risks that the information will be misused or used for commercial purposes.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1443: parental rights; compensatory damages

President Petersen,

Today, I vetoed Senate Bill 1443. This bill could deter vulnerable children from seeking help.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1464: tax laws; interpretation; application; hearing

President Petersen,

Today, I vetoed Senate Bill 1464. The bill would politicize the administration of our tax code and interfere with responsibilities outlined in our State Constitution.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1472: school district budgets; three years

President Petersen,

Today, I vetoed Senate Bill 1472. I agree with the bill sponsor when he called this a "weak bill." It would do nothing to improve the budgeting process for school districts.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1510: budget unit; vacant positions; reporting

President Petersen,

Today, I vetoed Senate Bill 1510. The bill does not accurately reflect the state's merit-based hiring processes and would deprive state agencies of their ability to best serve Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1534: ballot measures; description; legislative council

President Petersen,

Today, I vetoed Senate Bill 1534. The Legislative Council is appropriately charged with providing an analysis of ballot measures for inclusion in the publicity pamphlet for voters' use. Responsibilities for descriptive titles and ballot language are appropriately placed with the officer in charge of elections-the Secretary of State-with the approval of the Attorney General. I see no compelling reason to alter this arrangement.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1538: corporation commission; non-thermal generating unit

President Petersen,

Today, I vetoed Senate Bill 1538. Arizona's continued economic growth is reliant on a resilient energy system that can meet increased demand. Adding red-tape to energy project deployment directly jeopardizes Arizona's continued economic growth, stifles Arizona's energy economy, and risks the jobs of thousands of Arizonans working to power our communities, businesses, and homes.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1610: county detention facilities; arrestees; information

President Petersen,

Today, I vetoed Senate Bill 1610. Existing state law already bans sanctuary localities. I expect state and local governments to uphold the law and work with the federal government to secure the border. However, this places extreme burdens on local law enforcement.

I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office. I will continue to work with the federal government on true border security.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1612: document retention; proposals; donations

President Petersen,

Today, I vetoed Senate Bill 1612. AHCCCS's current procurement and award processes for managed care contracts are consistent with Medicaid industry best practices.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1694: higher education; withholding state monies

President Petersen,

Today, I vetoed Senate Bill 1694. Our state universities and community colleges play a vital role in developing Arizona's workforce, improving our economy, and strengthening our quality of life through transformational research. Jeopardizing their state funding with a bill that lacks clarity attacks their future stability and would lead to negative effects on the state's workforce and economy.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 2, 2025

RE: Senate Bill 1705: firearms; state preemption; civil penalty

President Petersen,

Today, I vetoed Senate Bill 1705. There are existing mechanisms to challenge city ordinances.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

A communication from Governor Katie Hobbs on the approval of the following measures was filed:

House Bills 2019, 2074, 2109, 2207, 2272, 2368, 2518 and 2639, signed May 6, 2025

Communications from Governor Katie Hobbs on disapproval of the following measures were filed:

May 6, 2025

RE: House Bill 2017: voting centers ban; precinct size

Speaker Montenegro,

Today, I vetoed House Bill 2017. I will not sign legislation that makes it harder for eligible Arizona voters to exercise their Constitutional right to vote. I have strong confidence in the voting center model that has been used in Arizona for over a decade and provides needed flexibility for eligible voters to vote where it is most convenient for them.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2046: audits; precincts; voting centers

Speaker Montenegro,

Today, I vetoed House Bill 2046. Requiring separate hand-count audits for early and election day ballots is inefficient and cumbersome for election officials.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2050: provisional ballots; cure data

Speaker Montenegro,

Today, I vetoed House Bill 2050. Provisional ballots must be researched and verified by elections officials and cannot be cured by the voter. Therefore, I see no need to provide a list of provisional voters to political parties.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2121: SNAP; mandatory employment and training

Speaker Montenegro,

Today, I vetoed House Bill 2121. Supplemental Nutrition Assistance Program (SNAP) is the most robust and effective anti-hunger tool we have in Arizona-I know this firsthand. Putting up additional barriers for families already struggling to put food on the table is not the way to expand opportunity, security and freedom for Arizonans.

Instead of diverting our limited resources to lesser-quality supports, I encourage you to join my Administration in supporting expansion of the capacity of the SNAP Career Advancement Network, which provides SNAP participants in Arizona with employment and training opportunities.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2122: SNAP; work requirement waivers; exemptions

Speaker Montenegro,

Today, I vetoed House Bill 2122. Supplemental Nutrition Assistance Program (SNAP) is the most robust and effective anti-hunger tool we have in Arizona-I know this firsthand. Putting up additional barriers for people already struggling to put food on the table is not the way to expand opportunity, security, and freedom for Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2154: early voting list; undeliverable ballots

Speaker Montenegro,

Today, I vetoed House Bill 2154. This bill likely contradicts procedures required by the National Voter Registration Act.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2205: election procedures manual; authority

Speaker Montenegro,

Today, I vetoed House Bill 2205. The election procedures manual is already required to comply with state and federal election laws, and the scope of authority for the election procedures manual is contained in the statute requiring its creation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2439: website information; pregnant women

Speaker Montenegro,

Today, I vetoed House Bill 2439. Last year, I was proud to sign a repeal of Arizona's 1864 total abortion ban, despite overwhelming opposition from yourself and the vast majority of the Republican members in the House and Senate. Unfortunately, that same legislative majority continues to send me bills that limit access to abortion and information on the full spectrum of reproductive health choices available to Arizona women.

The people of Arizona have made clear that they reject your attacks on our freedoms. As long as I am governor, these attacks will continue to meet my veto pen.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2440: attorney general; election certification; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2440. My priority lies with protecting the voice of every eligible Arizona voter, not protecting politicians. I am sure you would agree that any violation of law should be properly prosecuted. No one should be above the law.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2441: psychologist board; complaint-related documents

Speaker Montenegro,

Today, I vetoed House Bill 2441. The bill is unnecessary as the Board of Psychologist Examiners already provides copies of investigation files, upon request, to licensees in open cases.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2450: unemployment insurance; benefit amounts

Speaker Montenegro,

Today, I vetoed House Bill 2450. Cutting unemployment insurance will not connect Arizona workers to jobs that match their skills more quickly. If anything, it will send them and their families into needless financial hardship. Let's instead work together to make Arizona jobs more resilient to the chaos and uncertainty currently coming from Washington, D.C.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 6, 2025

RE: House Bill 2651: voting equipment; requirements; origin

Speaker Montenegro,

Today, I vetoed House Bill 2651. This legislation is predicated on conspiracy theories rather than fact.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bill 2824: legislative subpoena; perjury; refusal; contempt

Speaker Montenegro,

Today, I vetoed House Bill 2824. The bill weaponizes the power of the Legislature in a way that could be used to intimidate Arizonans. Holding someone in contempt is a very serious matter and is best left to be determined by the entire body rather than any one legislator.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

A communication from Governor Katie Hobbs on the approval of the following measures was filed:

House Bills 2168, 2175, 2179, 2201, 2231, 2344, 2380, 2387, 2611, 2667, 2678 and 2894; Senate Bills 1051, 1117, 1144, 1221, 1319, 1332, 1346, 1438, 1493, 1521 and 1622, signed May 12, 2025

Communications from Governor Katie Hobbs on disapproval of the following measures were filed:

May 12, 2025

RE: House Bill 2067: governing boards; records; access

Speaker Montenegro,

Today, I vetoed House Bill 2067. I will not support providing individual governing board members with blanket access to sensitive records without compelling reasons and sufficient guardrails.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2092: land divisions; disclosure affidavit; recording

Speaker Montenegro,

Today, I vetoed House Bill 2092. It would exempt certain property sellers from providing a disclosure affidavit. It is unclear to me why it would be in the public interest to allow for available details about a property to be withheld from a prospective buyer. All buyers deserve the benefit of as much transparency as possible.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2221: law enforcement; defunding; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2221. I've consistently advocated for increased funding for law enforcement. However, I encourage the legislature to listen to the Fraternal Order of Police, Arizona Police Association, and the Arizona Association of Chiefs of Police who oppose the final version of this legislation, because it undermines local decision making which is needed for public safety agencies to operate effectively.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2222: settlement agreements; report; approval

Speaker Montenegro,

Today, I vetoed House Bill 2222. I vetoed the same bill last year because this is clear government overreach on the part of the Legislature.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2233: corporation commission; lobbying; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2233. The Arizona Corporation Commission serves a critical role in ensuring Arizonans continue to enjoy a resilient and affordable grid. Stifling any agency's ability to provide necessary feedback on legislation that impacts their work is detrimental to developing responsible legislation.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2256: domestic proceedings; therapeutic intervention; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2256. In an attempt to address one specific situation, this proposal would result in unintended consequences that may result in more harm than good. I urge the proponents to work closely with the Administrative Office of the Courts, family court judges, and court appointed advisors, to better understand existing practices aimed to support the best interest of children.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2517: written request; property locators

Speaker Montenegro,

Today, I vetoed House Bill 2517. I see no need to have Arizonans pay more for a service that the state is capable of addressing within its existing budget. The Arizona Department of Revenue works diligently to reunite Arizonans with their unclaimed property through the unclaimed property program. This includes implementing new measures to clear a substantial amount of the current backlog. The department needs sufficient time to implement these changes before we consider allowing third party locators access to confidential taxpayer information for the commercial purpose of charging Arizonans 20% of the value of their own property.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: House Bill 2671: DCS; kinship care placement; requirement

Speaker Montenegro,

Today, I vetoed House Bill 2671. This bill is unnecessary. Extended family members of children in DCS custody are already included in kinship search and placement practices, consistent with state and federal law.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1002: pronouns; biological sex; school policies

President Petersen,

Today, I vetoed Senate Bill 1002. This bill will not increase opportunity, security or freedom for Arizonans. I encourage the legislature to join with me in prioritizing legislation that will lower costs, protect the border, create jobs, and secure our water future.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1003: public schools; restrooms; reasonable accommodations

President Petersen,

Today, I vetoed Senate Bill 1003. This bill will not increase opportunity, security or freedom for Arizonans. I encourage the legislature to join with me in prioritizing legislation that will lower costs, protect the border, create jobs, and secure our water future.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1014: prohibited weapons; muffling device; repeal

President Petersen,

Today, I vetoed Senate Bill 1014. Ensuring the safety of all Arizonans is a priority for my administration. Gun silencers make it more difficult for hard-working law enforcement officers to do their job and keep Arizonans safe.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1020: disruption; educational institution; concealed weapon

President Petersen,

Today, I vetoed Senate Bill 1020. Ensuring the safety of our students is a responsibility that belongs to all of us. Our community colleges and universities are places where our students should feel welcome and safe.

This bill could lead to increased risk on campus and other unintended consequences.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1024: state agencies; payments; cryptocurrency

President Petersen,

Today, I vetoed Senate Bill 1024. While this bill would allow State agencies to enter into agreements to protect the State from risks associated with cryptocurrency, legislators on both sides of the aisle acknowledged it still leaves the door open for too much risk.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1052: voter registration; temporary absence

President Petersen,

Today, I vetoed Senate Bill 1052. The bill would prevent U.S. citizens from registering to vote, including the children of Arizona servicemembers born overseas. I will not sign a bill that diminishes the right of eligible citizens to register to vote, and certainly not one that impacts our military families.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1064: voting; equipment; internet; custody; violation

President Petersen,

Today, I vetoed Senate Bill 1064. If further specifications regarding election equipment are desired, they should be included in the elections procedures manual where they can be regularly updated as technology evolves.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1088: government; compliance; immigration; deportation

President Petersen,

Today, I vetoed Senate Bill 1088. When I assumed the role of Governor, I pledged to uphold both the U.S. Constitution and the Arizona Constitution, as did each of you.

Arizonans, not Washington, DC politicians, must decide what's best for Arizona. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state officials to take marching orders from Washington, DC. My focus will always be on delivering real results for Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1091: school districts; bonds; overrides; ballots

President Petersen,

Today, I vetoed Senate Bill 1091. This bill is Duplicative, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1094: business; discrimination prohibition; social criteria

President Petersen,

Today, I vetoed Senate Bill 1094. This bill is Detrimental, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1095: central bank digital currency; ban

President Petersen,

Today, I vetoed Senate Bill 1095. A central bank digital currency does not yet exist.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1098: early ballot drop off; identification

President Petersen,

Today, I vetoed Senate Bill 1098. This bill is Detrimental, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1116: groundwater model; receipt; written findings

President Petersen,

Today, I vetoed Senate Bill 1116. This proposal attempts to redirect Arizona Department of Water Resources' activity to meet arbitrary timelines in reviewing and responding to undefined "alternative groundwater models" regardless of practical relevance to any policy or permitting decisions. This unnecessary bill does nothing to protect consumers or ensure water security.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1143: firearms transactions; merchant codes; prohibition

President Petersen,

Today, I vetoed Senate Bill 1143. Merchant Category Codes are vital tools that help law enforcement identify perpetrators of illegal activity, including mass shootings. We should make it easier, not harder, for law enforcement to catch violent criminals.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1268: hospitals; patient immigration status; reporting

President Petersen,

I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

Undocumented immigrants are not eligible to enroll in AHCCCS health plans. Moreover, this legislation is opposed by business leaders, hospitals, and others who understand that immigration enforcement is best left to federal law enforcement and not health care professionals.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bills 1300 and 1518, House Bills 2274 and 2570

President Petersen & Speaker Montenegro, Today, I vetoed the following bills:

- SB 1300 San Simon Valley; groundwater; election
- SB 1518 subsequent AMAs; groundwater portability
- HB 2274 water improvement district; Willcox basin
- HB 2570 temporary non-expansion area

It is unfortunate to receive four more bills that fail to address the water policy challenges Arizona residents and communities are facing today. To see more effort misspent on pointless bills that would only weaken groundwater protections or duplicate existing programs is a continued affront to rural Arizonans who have asked their legislature for years to address rural groundwater challenges.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations. My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1310: false documents; recording; violations

President Petersen,

Today, I vetoed Senate Bill 1310. I take the problem of home title fraud very seriously, it is why I signed SB 1110 in 2023 requiring counties to create a notification system for home owners if a sale of their property was initiated. This bill does not solve the problem of home title fraud in Arizona. I urge the legislature to work on a targeted bipartisan solution.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1322: state broadband office; transfer; ADOA

President Petersen,

Today, I vetoed Senate Bill 1322. This bill would delay deployment of critical high-speed internet infrastructure and access to communities across the state that have too long been excluded from the digital economy.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1373: digital assets strategic reserve fund

President Petersen,

Today, I vetoed Senate Bill 1373. Current volatility in cryptocurrency markets does not make a prudent fit for general fund dollars. I have already signed legislation this session which allows the state to utilize cryptocurrency without placing general fund dollars at risk, which is the responsible path to take.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1435: attorney discipline investigations; costs

President Petersen,

Today, I vetoed Senate Bill 1435. This proposal appears to attempt to circumvent a specific disciplinary action case. Actions have consequences, attorneys who bring bad faith cases to the court and peddle conspiracy theories should not be exempted from consequences. Attorneys who speak honestly and practice with dignity have nothing to worry about.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1463: initiatives; existing laws; impact statement

President Petersen,

Today, I vetoed Senate Bill 1463. Proponents of a ballot measure should not be compelled to make their opponents' arguments for them.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1536: cities and towns; primary elections

President Petersen,

Today, I vetoed Senate Bill 1536. It is unclear the bill would achieve its stated objectives, and it could instead incentivize frivolous election contests and deny Arizona voters representation from their democratically elected representatives while such contests play out.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1586: gender transition procedures; provider liability

President Petersen,

Today, I vetoed Senate Bill 1586. Medical malpractice statutes currently exist to give patients a private right of action related to matters of informed consent.

This bill will not increase opportunity, security or freedom for Arizonans. I encourage the legislature to join with me in prioritizing legislation that will lower costs, protect the border, create jobs, and secure our water future.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1591: concealed weapons permits; fees

President Petersen,

Today, I vetoed Senate Bill 1591. Without supplemental funding, reducing fees would defund our state police that administer the Concealed Weapons Permit Unit.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 12, 2025

RE: Senate Bill 1725: fentanyl; nine grams

President Petersen,

Today, I vetoed Senate Bill 1725. I stand by the legislation I signed last session (HB 2245), that establishes mandatory minimums for high volume fentanyl traffickers.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

A communication from Governor Katie Hobbs on the approval of the following measures was filed:

House Bills 2068, 2080, 2112, 2129, 2137, 2170, 2180, 2195, 2281, 2303, 2332, 2376, 2488, 2540, 2581, 2583, 2679, 2689, 2728, 2730, 2742, 2787, 2887 and 2944; Senate Bills 1033, 1056, 1074, 1075, 1132, 1182, 1274, 1287, 1295, 1307, 1351, 1353, 1383, 1624 and 1661, signed May 13, 2025

Communications from Governor Katie Hobbs on disapproval of the following measures were filed:

May 13, 2025

RE: House Bill 2206: multistate voter registration system; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2206 because it adds bureaucracy to the maintenance process of the state's voter registration list and imposes significant additional costs on Arizona's county recorders.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2437: drug-free homeless zones

Speaker Montenegro,

Today, I vetoed House Bill 2437. As someone who has worked with individuals experiencing homelessness, I know that social workers and service providers should focus on engaging people in services, not enforcing our criminal laws. I encourage this Legislature to work with me to address our state's housing shortage, increase affordable housing options, and get homeless Arizonans off the street.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2700: academic standards; social studies; geography

Speaker Montenegro,

Today, I vetoed House Bill 2700. Arizonans want us to work together to lower costs, secure the border, create jobs, and protect public education. Instead of joining with me to do that, this Legislature has chosen to attempt to dictate how teachers refer to geographic features. I encourage you to refocus your time and energy on solving real problems for Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2767: voter registrations; transportation department; recorders

Speaker Montenegro,

Today, I vetoed House Bill 2767 because it inaccurately represents the maintenance of voter registration information in Arizona, and would place significant costs on Arizona's county recorders.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2798: narcotic injection sites; zoning; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2798. These sites are nonexistent in Arizona. I encourage the Legislature to seek common sense solutions to actually help Arizonans struggling with substance use disorder.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2803: mixed hoteling; signage; requirements

Speaker Montenegro,

Today, I vetoed House Bill 2803. We should not micromanage local businesses who have stepped-up to help address our state's housing challenges. Let's instead engage in more productive efforts to create more transitional and affordable housing options across Arizona.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2868: discrimination; policies; preferential treatment

Speaker Montenegro,

Today, I vetoed House Bill 2868. Our state universities and community colleges play a vital role in developing Arizona's workforce, improving our economy, and strengthening our quality of life through transformational research. This bill would jeopardize their continued stability, leading to negative effects on the state's workforce and economy.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13. 2025

RE: House Bill 2895: task order contracts; website; posting

Speaker Montenegro,

Today, I vetoed House Bill 2895. The bill is written far too broadly and would hinder the State's ability to receive services necessary to support Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: House Bill 2927: public meetings; records; requirements; penalties

Speaker Montenegro,

Today, I vetoed House Bill 2927. As the legislative body changed rules to allow their own public records to be discarded after just 90 days, it is unclear as to why this bill attempts to hold others to a more lengthy and costly standard.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: Senate Bill 1036: public resources; influencing elections; penalties

President Petersen,

Today, I vetoed Senate Bill 1036. This bill is far too broad and subjective; it opens the door to infringe on First Amendment rights and general public discourse.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: Senate Bill 1097: elections; voting centers; polling places

President Petersen,

Today, I vetoed Senate Bill 1097. This bill is Detrimental, Ineffective, Nonsensical, and Objectionable.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: Senate Bill 1600: patient rights; health care services

President Petersen,

Today, I vetoed Senate Bill 1600. This bill is unnecessary, health professionals are already legally obligated to act in their patients' best interests and to obtain informed consent for procedures.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

May 13, 2025

RE: Senate Bill 1649: legislative appointments; qualifications

President Petersen,

Today, I vetoed Senate Bill 1649. I agree with President Petersen that appointments made by elected officials should be based on qualifications and subject matter expertise. It is the height of hypocrisy for this Legislative majority to attempt to exempt themselves from the standards to which they hold others.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

A communication from Governor Katie Hobbs on disapproval of the following measure was filed:

June 10, 2025

RE: House Bill 2867: antisemitism; public schools; prohibition; penalties

Speaker Montenegro,

Today, I vetoed House Bill 2867. Antisemitism is a scourge on our society and a deeply troubling issue in our country. I continue to proudly stand with Arizona's Jewish community against acts of hate, violence, and harassment, and remain committed to fighting antisemitism in all its forms.

Last year, I signed legislation expanding Holocaust education requirements in our public schools. And last week, I joined members of the Phoenix Jewish community, including Holocaust survivors, to break ground on what will be the first permanent Holocaust education center in Phoenix, funded by the FY25 budget I signed into law. It was a powerful reminder that the most effective way to combat antisemitism is through education, empathy, and community.

Unfortunately, this bill is not about antisemitism; it's about attacking our teachers. It puts an unacceptable level of personal liability in place for our public school, community college, and university educators and staff, opening them up to threats of personally costly lawsuits. Additionally, it sets a dangerous precedent that unfairly targets public school teachers while shielding private school staff. It is disappointing to yet again see this legislature single out and attack our public education system.

Like the National Council of Jewish Women Arizona, the Tucson Jewish Museum & Holocaust Center, the Rabbi Joseph H. Gumbiner Community Action Project, and many other organizations, I believe this bill would undermine public education at all levels.

Students and parents already have avenues through the State Board of Education to report allegations of unprofessional conduct, including antisemitism and all other forms of hate they may encounter in the classroom. I am confident that by using those tools, we can fulfill our moral and legal responsibility to eradicate hate and discrimination in our public school system.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

June 24, 2025

RE: House Bill 2610: school districts; board members; superintendent

Speaker Montenegro,

Today, I vetoed House Bill 2610. As I have stated, the financial mismanagement of the Isaac School District is unacceptable, and governing board leadership must take accountability and resign. This bill appears to seek broad retribution rather than providing targeted methods to address problems. Mandating the upheaval of an entire elected school board is blatant legislative overreach that would create disruption and confusion for school districts during times of crisis.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bill 2542: state contracts; foreign adversary; prohibition

RE: House Bills 2947, 2948, 2949, 2950, 2951, 2952, 2953, 2954, 2955, 2956, 2957, 2958, 2959, 2960, 2961

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2947 general appropriations act; 2025-2026
- HB 2948 amusements; 2025-2026
- HB 2949 capital outlay; appropriations; 2025-2026
- HB 2950 commerce; 2025-2026
- HB 2951 criminal justice; 2025-2026
- HB 2952 environment; 2025-2026
- HB 2953 health care; 2025-2026
- HB 2954 higher education; 2025-2026
- HB 2955 human services; 2025-2026
- HB 2956 K-12 education; 2025-2026
- HB 2957 local government; 2025-2026
- HB 2958 state buildings; management; 2025-2026
- HB 2959 revenue; 2025-2026
- HB 2960 state budget implementation; 2025-2026
- HB 2961 taxation; omnibus; 2025-2026

This is a reckless and partisan budget that slashes $255 million from health care coverage for countless Arizonans. It cuts over a hundred million dollars from K-12 education, leaving public school students statewide without the resources they need. It worsens our state's childcare affordability crisis and it leaves homeless Veterans out on the streets.

From day one of the budget process, I have worked with leaders of both parties in both chambers to craft a bipartisan, balanced, and fiscally responsible budget. This reckless and partisan budget is not that. The partisan antics of the House Republicans should not distract us from working to pass a negotiated, bipartisan budget that strengthens public safety, lowers the cost of child care, protects public education funding, and gives our Veterans the support they deserve.

It's now time for House Republican leadership to set the political games to the side and work with their colleagues in a productive fashion to deliver a bipartisan solution for the people of our state.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bills 2962, 2963, 2964, 2965, 2966, 2967, 2968, 2969, 2970, 2971, 2972, 2973, 2974

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2962 general appropriations; FY2026
- HB 2963 amusements; FY2026
- HB 2964 capital outlay; appropriations; FY2026
- HB 2965 environment; FY2026
- HB 2966 health care; FY2026
- HB 2967 higher education; FY2026
- HB 2968 human services; FY2026
- HB 2969 K-12 education; FY2026
- HB 2970 local government; FY2026
- HB 2971state buildings; management; FY2026
- HB 2972 revenue; FY2026
- HB 2973 state budget implementation; FY2026
- HB 2974 transportation; FY2026

For months, I worked with leaders of both parties, in both chambers, to craft a bipartisan, balanced, and fiscally responsible budget that garnered suppo11from the majority of Senate Republicans. That budget has pay raises for State Troopers and firefighters, cuts taxes for small businesses, invests in combatting Veterans homelessness, and makes child care more affordable and accessible. It passed the Senate and should be put up for a vote in the House.

Unfortunately, House Republicans abdicated their responsibility and refused to meaningfully participate in our bipartisan budget negotiation process. Now, they are attempting to leverage the threat of a government shutdown to force through a reckless and partisan budget that raises costs, harms businesses, and makes our state less secure.

This partisan budget is wrong for the people of Arizona. It slashes pay raises for state troopers and firefighters, guts investments in child care, removes efforts to combat Veterans homelessness, cuts funding for K-12 schools and our universities and community colleges, and underfunds infrastructure projects throughout our state. The President of the State Troopers Association put it plainly enough: if this budget passes and you need rescuing, "don't call DPS. Rangers won't respond."

It's now time for House Republican leadership to set the political games to the side and work with their colleagues in a productive fashion to deliver a bipartisan solution for the people of our state.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: Senate Bill 1514: employer-employee arbitration; contract; disputes

President Petersen,

Today, I vetoed Senate Bill 1514. This bill would enshrine forced arbitration in Arizona law mandating a take-it-or-leave-it approach to employment practices that hurts working Arizonans.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bill 2091: assured water supply; certificate; model

Speaker Montenegro,

Today, I vetoed House Bill 2091. This bill would force approval of developments without sufficient water supplies. Ignoring Arizona's 100-year Assured Water Supply criteria harms Arizona homeowners and leaves communities without reliable and affordable water resources.

HB 2091 was rushed to my desk at the end of session in an attempt to hastily rehash a bill I vetoed last year (HB 2062). Arizonans expect more from their lawmakers when it comes to crafting water policy with permanent and significant implications, and I will continue to ensure that our water requirements and consumer protections are upheld.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: House Bill 2324: forfeiture; digital assets; reserve fund

Speaker Montenegro,

Today, I vetoed House Bill 2324. This bill disincentives local law enforcement from working with the state on digital asset forfeiture by removing seized assets from local jurisdictions.

Sincerely,

/s/KATIE HOBBS
Governor
State of Arizona

RE: Senate Bill 1001: early ballots; identification; tabulation

President Petersen,

Today I vetoed SB1001. While I recognize the sponsor's desire to speed election results, my commitment is first and foremost to accessibility for every eligible voter to have their voice heard. SB1001 still presents unacceptable challenges for voters who must rely on family members or caregivers to drop off their ballot and would be unable to appear in person, effectively imposing an earlier deadline for them to complete their ballots than others, or risk removal from the Active Early Voter List. I'm certain that we all agree that every eligible vote should count, and no American should be deprived of this fundamental right.

Election reforms cannot be done in a vacuum. We must balance the speed of counting votes with accessibility, accuracy, and security. As we approach the 2026 election, my door is open to any Legislator who is serious about working with me next session to improve voting and vote counting in Arizona.

Sincerely,

/s/KATIE HOBBS
