Thank you Speaker Bowers and congratulations on your election to the Speakership. I'd also like to congratulate all of the newly elected and re-elected members of the House. I've never been overly involved in politics, so to be asked to come here today is a pretty special opportunity and I'm grateful for the chance to welcome everyone back. Perfect attendance too. I was hoping no one would be on the D. L. to start the season.

In a lot of ways, politics is like baseball in that it's all about teamwork. Whether you like each other or not, you're on the same team working toward a common goal. Another common thing between what I did on the field and what you do every day is that it takes courage to do the right thing, even if it's not the popular thing to do.

I always tried to set a good example for my teammates and my family because I felt responsible for our organization, just like you are responsible to the people you serve. At the end of the day, I wanted to go home every day and know that I left it all on the field. I accepted the great responsibility of playing for the D-Backs just like you have all accepted the responsibility of serving our great state and not backing down, even when it gets difficult.

We all have one thing in common and that's a love for the Great State of Arizona. I wish you all the best of luck in the year ahead and thanks again for having me here today. In 2001 I was able to be a part of a very special team, great guys; we didn't always get along. There were a lot of things behind the scenes that happened, on the field and off the field. But we all had one common goal. We represented the State of Arizona and we wanted to make everyone proud of us. Today, each and every one of you has taken the huge step to be a part of the Arizona House of Representatives for the state. I'm honored to be here today to be a part of this, my first opening day. It's a great honor to be here. Thank you and good luck to each and every one of you. Remember that the decisions that you make are not about yourselves, it's about the people here in Arizona. I'm right down the street if you ever need anything. Thanks for having me.

Governor Douglas A. Ducey, who was introduced by President Karen Fann, delivered the following message:

STATE OF THE STATE
GOVERNOR DOUGLAS A. DUCEY
FIRST REGULAR SESSION, FIFTY-FOURTH LEGISLATURE
JANUARY 14, 2019

Chief Justice Bales, Members of the Legislature, Judiciary and fellow Arizonans — I am so honored to be back here today, and just like you, I am ready to get to work. 2018 brought a lot our way. Election years tend to do that for people in our business. Elections also bring change and new faces, as we see here today — and in government, that's a really good thing. Let's work together in the months ahead to transform our promises into progress for the state we all love.

To all who were sworn in for the first time today, and to the other public servants who took the oath with me last week, congratulations and welcome. It wasn't so long ago that I was new here, too. I ran because I cared, believed I could make a difference, and felt we needed some fresh ideas. No doubt, you're all here for many of the same reasons. You've also lucked out, because you've got some real pros here to show you the ropes. Speaker Bowers and President Fann — you're well suited and well prepared for these new roles. I'm hoping today's not the last day you'll have my back.

Leaders Fernandez and Bradley — I'm looking forward to working together. I think we can all agree, there's plenty of opportunities to find common ground. Bipartisanship is a word that gets tossed around a lot. And today, it seems everyone has their own definition. So let me be clear on the approach I intend to take. I'm not here just to work with Republicans on Republican ideas. And bipartisanship doesn't simply mean working with Democrats on Democratic ideas. I'm here as governor of all the people to work with all of you on good ideas. And now's the time to do so. Because the state of our state is strong, and it's getting stronger. The challenge before us is to lay the groundwork today to make sure the Arizona of tomorrow remains strong. Doing so requires action now to do the things that matter and secure Arizona's future.

The issues we need to tackle aren't partisan ones. In some cases, they aren't even political. At the top of that list: securing our water future. Now stay with me — this is not an issue that leads the news. It doesn't make for a snappy headline, or a provocative soundbite, and it can't be explained in 280 characters. But as I traveled the state this past year, it's one of the issues I was asked about most by real people -- especially in rural Arizona. It's an issue that deserves your focus and attention. Which is why it's first on my list. Here's the bottom line: We're in a 19-year drought. It's going to get worse before it gets better. Arizona and our neighboring states draw more water from the Colorado River than Mother Nature puts back. It's time to protect Lake Mead and Arizona. It's time to ratify the Drought Contingency Plan and we have 17 days to do it. Doing so will require compromise. No one stakeholder is going to get everything they want. Everyone is going to have to give. And I've been impressed by the willingness of those involved to do just that. It's been said: whiskey's for drinking; water's for fighting.

We have two leaders here today who've got the scars to prove it. They are giants, who deserve the credit for getting Arizona to this point — not to mention our gratitude for their lifetime of public service: Governor Bruce Babbitt and Senator Jon Kyl. Bruce Babbitt served in public office for 20 years, first as Arizona Attorney General and Governor and later as Secretary of the Interior under President Bill Clinton. Jon Kyl served Arizona in Congress for 26 years, including three terms as a U.S. Senator. Then, when Arizona needed him most, he returned to the Senate last September. Governor Babbitt and Senator Kyl have shown us the path. Working with others. Setting aside differences. Putting our state, and the greater good first. Now it's our turn to do the heavy lifting.

This issue is important and it's urgent. Our economy. Our environment. Our future. Let's prove we can work together in a bipartisan fashion and get this done. Same goes for a lot of other things, frankly. We've implemented a hiring freeze and held the line on out of control growth in government. Today, our state government operates more efficiently. We've gotten government out of the way of job creation, cutting red tape and placing a moratorium on new regulations. In fact, we've eliminated over 1,000 regulations. Imagine if we took that same approach this legislative

First Day

session regarding laws. We're not short on laws here in our state. Over 107 years we've built up a hefty 11,000 plus pages. Certainly, many of our laws have merit. But many don't. So why does each legislative session seem to be a competition to pass the most new laws? What if we found a way to get rid of old unneeded laws, rather than just creating new ones? If for every law we passed, we repealed three or if new laws had sunsets. I'm challenging this legislature let's chop the stacks and stacks of statutes down, so that the laws make sense and are relevant to the Arizona of today. And how about we start with eliminating the most unnecessary law of them all: legislative immunity. We are a nation of laws, not men. No one -- not me, nor you -- is above the law. Now, congress likes to exempt themselves from the law -- but isn't that why Americans hold them in such contempt? Let's show the people of Arizona that their elected leaders will live under the same laws as every man and woman in this state. Send T.J. Shope's referral to the ballot and let the people speak on special privileges for elected officials.

And when there are emerging issues that need to be addressed, let's not ignore them -- let's solve them. One year ago, most of us didn't know Parkland, Florida, even existed. But now, tragically, it's another on the list. Ingrained in our memories and American vernacular. Columbine. Virginia Tech. Sandy Hook. So last spring, I convened Arizonans in my office. Parents. Teachers. Principals. Law enforcement. Prosecutors. Mental health experts. Democrats and Republicans. People who weren't Democrats or Republicans. Students themselves. With a goal of being proactive, and taking action to stop a tragedy from happening here. We researched the five deadliest school shootings of the last 20 years, and asked: How could these have been prevented? We built a plan that could make a real difference: The Safe Arizona Schools Plan. More cops on campus. More school counselors. Improved background checks. A STOP order that protects Second Amendment rights while keeping guns out of the hands of individuals who are a lethal threat.

These are solutions that will make schools safer, and it's time for us to get it done. I'll be including some elements of this plan in my budget that you'll see Friday -- with an even greater investment than I proposed last year. We know when a police officer is around, it makes things safer. Who do we call whenever there's trouble? Our brave men and women in blue. And that's why we're including enough dollars to put a cop on every campus that needs one. And I'll be working with legislative leaders to pass the rest. This plan is a reasoned and balanced approach. Which is why thought leaders like David French at the National Review and Hugh Hewitt have endorsed it; why the Arizona PTA supports it; and why we modeled elements of it from Gabby Giffords' plan. This is simply too important an issue to let partisan politics and special interests get in the way. We've got a responsibility to do something for our kids -- and we've got to do it this session. Whether it's water or school safety -- these are things that matter. We know that.

We've been here before. We did it on Prop 123 -- who thought that lawsuit would ever get settled? We did it with the 20-year extension of 301 -- nobody believed that would happen. University bonding -- the obituaries were written on it, but we got it done. Opioids -- a unanimous vote of the entire Legislature. And it was just 8 months ago we delivered a 20 percent pay raise for hardworking teachers. When we unveiled that proposal, many said it was not possible. And there's no doubt, forces were standing in the way. But because of teachers -- lots of them -- and principals, and superintendents, PTAs, parents, education champions and business leaders -- with the leadership of J.D. Mesnard, and former President Yarbrough. With bipartisan support from leaders like David Bradley, Sean Bowie, Andrea Dalessandro and Steve Farley, we got that pay raise passed and into teachers' paychecks. Half of this commitment was added last fall, with some school leaders going even further. Payson. Yuma. Marana. The Washington Elementary School District, right up the street. Many others. And to anyone out there considering using these resources somewhere else, I have one message - don't even think about it. These are raises teachers earned and they are raises we are going to fulfill and protect. And more is needed on K-12 education. A focus on results, resources and reforms.

Arizona has been the leader in school choice. It's good for parents, and most of all, it's good for kids. Healthy choice and competition brings about innovation, and that's been the case in Arizona public education. But we also know improvements can be made. More transparency, more accountability, and granting more financial review and oversight over taxpayer dollars -- all with the purpose of making sure every public school is improving and providing Arizona kids with the best-possible education. Same goes for addressing the teacher shortage.

In my past life, I used to tell my team at Cold Stone Creamery -- if you find a good idea, grab it. So as we built Cold Stone -- we borrowed ideas from others: McDonald's. Subway. Starbucks. And I confess -- I've kept the habit going. Four years ago, I heard what sounded like a really good idea to address the teacher shortage. If someone graduates from an Arizona university, is willing to stay in Arizona, and teach in a public school, why not allow them to graduate debt-free by providing a scholarship? So we turned it into reality and launched the Arizona Teachers Academy. Already, 221 students have started moving through the program. This year we plan to significantly expand it: more dollars, more support. We are going to create a pipeline of talent and the next generation of Arizona teachers. And today, as a guest of Angela and I -- we have the person who came up with the idea. He's had an incredible career of public service, he's continuing that service as newest member of the Arizona Board of Regents, and his wife, Jennifer, is with him today. Arizona thanks you, Fred Duval.

First Day

Education and our economy go hand in hand. Many of us remember a class back when we were in high school called shop. It's where a lot of good people discovered a passion, they turned into a purpose, and then a pretty good paycheck. Our education leaders are creating the "shop" classes of the 21st century-- it's called Career and Technical Education-- CTE. Today, students in these programs are training to becoming nurses, pilots, pharmacists, bankers, firefighters and software developers -- all before graduation. In fact, 99 percent of CTE students graduate high school--99 percent-- a rate much higher than the national average. They perform better in mathematics and reading -- and their technical skills rival professionals in the same trade. Just take a look at some of these programs: Aviation at Pima Community College. Advanced manufacturing at Maricopa Community Colleges. Diesel mechanics at the Western Maricopa Education Center. And culinary arts at the East Valley Institute of Technology. Today, we have more jobs available in the state of Arizona than we have people to fill them. Whatever and wherever the skilled trade is needed, Arizona is prepared to meet the demand. I want to recognize education leaders who are paving the way: Lee Lambert, Maria Harper-Marinick, Greg Donovan, Doug Pruitt, and Sally Downey. Thank you for your leadership.

These are programs we plan to build, expand and align with the jobs of tomorrow. And my budget will do just that. If people want to work, let's let them work! 100,000 people will move here this year. There's a job available for every one of them. Lots of them are trained and certified in other states. Standing in their way of earning a living in Arizona, our own licensing boards, and their cronies who tell them -- "You can't work here. You haven't paid the piper." Let's stop this foolishness. Pass Warren Petersen's bill to grant universal recognition for all occupational licenses-- and let them work. And before those unelected boards feign outrage -- let's remember: workers don't lose their skills simply because they move to Arizona. And, in the name of good government, let's have the bullies on these boards answer three questions: what do you exist to do, how do you know if you're doing it well, and who would miss you if you were gone? There's dignity in all work.

Last fall, I visited our state prison in Buckeye, Arizona. There, joined by Arizona Cardinals defensive back Antoine Bethea and D lineman Corey Peters along with Cardinals President Michael Bidwill, we saw the possibilities of Opportunity for All first hand. At a job fair, soon-to-be-released men and women were excited to participate in a program that equips them with the skills to successfully re-enter society. They lined up at employers like Jacksons Car Wash and Hickman's Family Farms -- some left with multiple job offers. This is a program we need to secure well into the 21st century to protect public safety and reduce Arizona's prison population. Arizona's economy is booming. There's no doubt about it. We've added nearly 300,000 new jobs in the last four years. And I'm proud to say, our relationship with Mexico is stronger than ever. With an updated North American trade deal, known as the USMCA, this will mean even more trade coming through our ports and more jobs for Arizonans. I've become fond of saying that the last time unemployment was this low, you were renting your movies at Blockbuster. But the benchmark is moving. By the end of this year, unemployment is forecasted to plummet to levels we haven't seen since before you knew what a hashtag was.

Some said the teacher pay raise was unsustainable and based on rosy projections. Turns out those projections weren't rosy -- they were in response to a growing economy that has led to a record balance in our general fund. When I stood here four years ago, we faced a \$1 billion deficit. It's not by accident that today, we've got a \$1 billion surplus. Arizona weathered the storm. Made tough decisions. Held the line on raising taxes and will continue to hold the line on raising taxes. And breaking news: somebody call The Daily Show -- we even own this building again. It's the Arizona way, it's a winning game plan, and I have no intention of changing course. Government didn't rebuild Arizona. People rebuilt their businesses. They hired and invested. Workers and families rolled up their sleeves. So for their sake, let's make sure we're on strong footing today and into the future. With revenue soaring, some have suggested loosen up, let the good times roll. Ladies and gentleman: We've seen that movie before, and we know how it ends. It wasn't that long ago that this state racked up a massive tab, went on a spending binge, with no long-term plan of how to pay for any of it. And when the economy tanked -- every one of those false promises evaporated. It was painful, for real people. Let's learn from the mistakes of the past. To the big spenders: On November 6th, the people spoke. They want their teachers paid and their budgets balanced. So, the balanced budget I will present to you on Friday fully funds the priorities we know are important -- public safety, child safety, education -- above and beyond inflation. There are some targeted investments in critical areas. But frankly, for a surplus year, this budget is pretty light reading.

Because I'm proposing that we secure Arizona's future and prepare responsibly for the unexpected and the inevitable -- by bringing our Rainy Day Fund, to record-breaking balance of one billion dollars. If ever there were a way to protect public education, to protect the pay raises our teachers have earned and deserve, to prevent budget gimmicks, band-aids and massive cuts down the line; to avoid tax increases and budget standoffs and government shutdowns -- it's through this thoughtful, prudent and fiscally-conservative approach.

First Day

Four years ago, as a new governor, I inherited 35,000 hardworking state employees, 40 billion in combined spending, over 200 boards and commissions and 43 plus state agencies. We got to work restructuring a government that should operate at the speed of business. We've made a lot of progress. We've got less bureaucracy, more efficiencies. And still, more can be done. Remember when Andy Tobin worked his way out of a job? Well, buckle your seatbelts because there's going to be a lot more of that as we look to save taxpayer dollars and streamline state government. And our dedicated state employees will continue to play a critical role in shaping our direction. We'll rely on their expertise, and know-how as we apply technology and customer service techniques to further consolidate our government. This is another non-partisan issue. It's not Republican versus Democrat. In our nation's capitol, both parties are equally guilty for bloated government, spending sprees and unmanageable debt. If anything, it's an Arizona versus Washington, D.C. issue. The federal government is broke, broken and broken-down, and has been for decades. Washington could learn a lot from us.

When the federal government failed to secure our border, we created the Border Strike Force, combating crime without interrupting trade. We know the value of time, so we reduced wait-times at the MVD. Our Department of Child Safety has become a national model and the envy of other states. And yes, when congress failed to do their job, we kept the gates of the Grand Canyon open. I've spent a lot of time these last four years, making a lot of new friends. I've been to every county. In dozens of schools. In our state agencies. Businesses -- large and small. It's been fun and pretty darn delicious. The chocolate chip cookies at Beyond Bread in Tucson. The Especial at Lute's Casino in Yuma. And you've got to try the pies at The Mogollon Moose out in Payson. Let's just say you don't have to guess my new year's resolution. We've got great people in this state. Some have been here for generations -- others just got here yesterday. And then there are those we said goodbye to last year for the final time. Their memory, and their legacies will live on:

Congressman Ed Pastor
Superintendent of Public Instruction Carolyn Warner
Treasurer Carol Springer
Chief Justice Bud Jones
Senator John McCain

Others had names we were not familiar with -- their lives cut short in the line of duty. Their service will be honored and remembered all the same:

Staff Sergeant Maximo Flores
Chief Warrant Officer Taylor Galvin
Staff Sergeant Alexander Conrad
First Sergeant Nicholas Amsberry
Army Specialist Robert Jones
U.S. Deputy Marshal Chase White
Nogales Police Officer Jesus Cordova
Salt River Police Officer Clayton Townsend
Trooper Tyler Edenhofer

Their ultimate sacrifice reminds us of the sacrifices made every day by our heroes in uniform -- law enforcement, first responders, correctional officers, our National Guard, and military personnel. We salute you. We are proud of you. And we thank you. We know that to truly secure Arizona's future, we can't do it without you. And we pledge to continue to support and invest in you and your families.

Ladies and gentlemen of the Legislature -- we've got our work cut out for us. But with the leadership here, and the passion and purpose that you and I bring to the issues that face us, I have high hopes and great enthusiasm that this will be our most productive session yet.

Let's put party labels aside.

Let's put Arizona first.

Let's do the things that matter.

Let's get to work.

Thank you and God bless.

Today we celebrate Reframing Justice Day in Arizona.

We as a nation and state uphold our shared values of forgiveness and redemption, and a belief in the possibility that people can change for the better;

One key purpose of our criminal justice system is to reform and rehabilitate individuals, thereby reducing recidivism and crime.

The state of Arizona currently has the fourth highest incarceration rate in the nation, affecting thousands of families, absorbing 11% of the state General Fund, and delivering an unacceptably high recidivism rate.

Since 2000, the prison population has gone up nearly 60%—almost twice as fast as the resident population.

Arizona's prison sentences are significantly longer than those in other states, particularly for non-violent and drug related crimes.

State leaders including Governor Ducey, legislative leaders and others have affirmed a need for Arizona to address recidivism reduction and criminal justice reform and have signaled an openness to legislative proposals to achieve these goals.

Ninth Day

We welcome those directly impacted by our state's criminal justice policies (including formerly incarcerated people, crime victims, and their families) who have an important perspective to share with lawmakers regarding the larger impacts of criminal justice policies and deserve to be heard.

I would like to see it declared that January 22, 2019 is Reframing Justice Day in Arizona

A member may not be the prime sponsor of more than seven bills introduced after 5:00 p.m. on the fourth day of each regular session. Each committee shall report each measure it carefully considers back to the House with such recommendations as may be deemed proper. All amendments proposed by the committee shall be separately reported. If the Speaker designates his referral authority pursuant to this rule to any member of the House other than the Speaker Pro Tempore the designation shall be in writing, state the period of time for which it is effective, and be filed in advance with the Chief Clerk.

K. When the first committee reports the measure to the House, the Speaker places it on the House Calendar (Inactive Calendar). When the last committee to which the measure was referred reports to the House, it is the property of the Committee on Rules, which considers the measure. The Speaker sets the order of the measures on the Active Calendar for the consideration of the Committee of the Whole.

L. The Speaker may direct that any bill be second read at the time of its consideration by the Committee of the Whole or on any day prior thereto.

M. When the Committee of the Whole has completed its deliberations, it is dissolved and reports to the House. By motion, the report of the Committee of the Whole is adopted by the House (or amended) and the Speaker properly assigns the House measures (or amended Senate measures) to be engrossed for Third Reading.

N. The original and two copies of each engrossed measure shall be on paper of durable quality and shall be stamped on each page thereof with the blind embossed stamp of the House. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original House engrossed House bill shall have a green backing. The original House engrossed Senate bill shall have an orange backing.

O. The engrossed measure shall not be subject to amendment on Third Reading or Final Passage of the measure.

P. The House shall provide the Senate and the Legislative Council with sufficient copies of each amended engrossed House measure on green paper with a cover page. For House amendments to Senate measures, the same number of copies shall be provided but shall consist only of those pages containing the adopted House amendments and cover page. For unamended House measures the same number of green cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

Q. All bills, resolutions, memorials and engrossed measures shall be line-numbered, and such numbering shall begin with the enacting clause. Uniform sized paper, 8-1/2" x 11", shall be used. All paper and ink used by the House for the purpose of permanent records shall be of durable quality.

R. Amendments shall have uniform headings and shall read "amendment to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines ... through ...". If everything after the enacting clause is stricken, the amendment shall read "strike everything after the enacting clause". All amendments shall contain the language which states "amend title to conform". Substantive floor amendments shall be printed and placed on each member's desk a reasonable time prior to Committee of the Whole unless previously distributed. Substantive proposed amendments shall be reviewed for constitutionality and approved as to proper form by House Rules Counsel or other qualified personnel designated by the Speaker prior to presentation in all committees, including Committee of the Whole and conference committees.

S. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by at least 4 5:00 p.m. on the second previous working day, excluding Saturday, Sundays and holidays, in advance of the committee meeting at which the amendment is to be considered by delivering a draft of the proposed amendment to the office or the secretary of each member of the committee, posting such notice at the Information Desk and leaving a copy of the draft in the office of the Chief Clerk. ~~A strike-everything amendment for a House measure must be germane to the underlying bill, it may broaden the purpose of the measure but shall be confined to only those matters properly connected therewith.~~ Following the adoption of a strike-everything amendment to a House measure in possession of the House, a House member's cosponsorship may be withdrawn upon submission of a written request from the cosponsor to the Chief Clerk prior to third reading.

The following House Proclamation honoring Fred T. Korematsu was read by the Clerk:

Fred T. Korematsu was an American citizen born on January 30, 1919 and raised in Oakland, California.

Mr. Korematsu was one of approximately 120,000 innocent people of Japanese descent, two-thirds of whom were American citizens, who were subject to Executive Order 9066, issued by President Franklin D. Roosevelt, that required Japanese Americans be removed from their homes and placed in internment camps.

Two large internment camps were located in Arizona. Approximately one-fourth of all those interned, 31,000 men, women and children, were placed in camps in Arizona. The Colorado River Relocation Center, operating from April 1942 to March 1946, near Poston, in La Paz County, (formerly part of Yuma County) had a population of approximately 18,000 persons. The Gila River Relocation Center, operating from May 1942 to February 1946, at Rivers in west central Pinal County, had a population of approximately 13,000 persons.

Mr. Korematsu refused to comply with this order and was arrested and later convicted in federal court and placed in an internment camp along with his family members. Mr. Korematsu courageously appealed his conviction to the United States Supreme Court. The United States Supreme Court voted 6 – 3 in the landmark case of *Korematsu v. United States* that the enforced internment was justified based on "military necessity."

A review in the early 1980s found that the United States Solicitor General had intentionally withheld reports from military intelligence confirming Japanese-Americans had not committed any wrongdoing. Mr. Korematsu's conviction was overturned in 1983.

Mr. Korematsu spent the remainder of his life on a quest to ensure civil liberties for all Americans. Before his death in 2005, Mr. Korematsu traveled the nation teaching the next generation to "protest, but not with violence, and don't be afraid to speak up. One person can make a difference, even if it takes 40 years."

Arizona stands strong in its commitment to equal justice under the law.

PROTEST

In accordance with Article IV, Part 2, Section 16, Constitution of Arizona, and House Rule 20, the following protest was entered:

Today I was in Government Committee, participating in the debate on two very important bills. While I was in Government Committee, the Rules Committee was scheduled to meet. I was told that the Rules Committee would wait for the Government Committee to finish its business before taking up the Rules bills. Rather than honoring that commitment, the Rules Committee convened while members were voting on the last bill in Government Committee. Members are not allowed to leave while the vote is taking place, and so I was not able to go to Rules Committee and vote on those bills.

It is the custom and practice of this House that when a member has a committee conflict that member has the authority to waive the conflict between the two committees and allow one of them to proceed without that member. That custom was ignored today. I was not afforded the respect all members in this body deserve. The Rules Committee could have waited a mere five minutes and allowed members of that committee to participate. My constituents sent me to the Capitol to be there voice, which is a task I take very seriously, and I was denied that voice today.

Dear President Fann:

Today, I vetoed Senate Bill 1143.

This legislation is the wrong policy, and any bill with a fiscal impact should be considered as part of budget discussions agreed to by the Legislature and Executive, just as every budget bill is considered, every session.

Let's conform, secure Arizona's future by investing in our rainy day fund, and let's get to work on a fiscally conservative balanced budget.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor

PROTEST

Ms. Salman rose to a point of protest and in accordance with Article IV, Part 2, Section 16, Constitution of Arizona, and House Rule 20, the following protest was entered:

I have never denigrated another member's invocation. Yet, for the third year in a row, members of this body have belittled my religious beliefs in ways that are humiliating and uncalled for.

Yesterday's action by Rep. John Kavanagh mocking my invocation, which was written by his constituent Anita Romanowski, violates the Arizona Constitution Article XX §1 that requires "perfect toleration ...and no inhabitant of this state shall ever be molested in person or property on account of his or her mode of religious worship, or lack of the same." Additionally, it violates the U.S. Constitution and the Supreme Court ruling in *Greece v. Galloway* (2014) that prohibits disparaging of other faiths or none. Finally, it violates House Rule 25 Privilege of the House, as it exhibits behavior unbecoming of a member.

The Arizona Court has made clear in *Appeal in Cochise County Juvenile Action* (1982) when it said, "We cannot imagine that the Legislature would give preferential treatment to one religion over another because one is more established and thus more acceptable than another."

Yet, for years members of a more established religion in this Chamber have disparaged members of non-faith. This is in clear violation of our rights.

BUSINESS ON THE SPEAKER'S DESK

A communication from Governor Douglas A. Ducey on approval of the following bills were filed:

SB 1014 and HB 2075, signed February 14, 2019

Communication from Governor Douglas A. Ducey on approval of the following bill, with expression of executive intent:

Re: HB2075 electronic prescribing; exceptions; deadlines

Dear Secretary Hobbs:

Today I signed HB 2075 electronic prescribing; exceptions; deadlines.

Through last year's Opioid Epidemic Act, Arizona has demonstrated its strong commitment to preventing and treating addiction. One provision of last year's legislation required e-prescribing for opioids beginning this year but gave providers an option for a one-year delay via a waiver process.

This bill removes a cumbersome waiver process which many providers opted for and replaces it with a clean and firm deadline for all providers — January 1, 2020.

Arizona remains firmly committed to combating the opioid epidemic and will continue to take aggressive actions.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor

PROTEST

In accordance with Article IV, Part 2, Section 16, Constitution of Arizona, and House Rule 20, the following protest was entered:

Yesterday my motives were impugned by the Minority Leader in violation of Rules 18 and 19 when she stated that I am holding bills "for reasons that we are being told are purely vindictive." Vindictive is defined as "having or showing a strong or unreasoning desire for revenge." Revenge, that goes to my motivations for the bills that are pending before the Rules committee. Members, I ask that in the future we are very cautious about repeating things on the floor that "we are being told," especially when it goes to a member's motivations.

I have had an open door for members to come discuss their bills with me, and I anticipate there will be another Rules committee meeting to hear multiple bills for members that have done that.

Dear Speaker Bowers,

Today I vetoed HB 2576. I am very supportive of Arizona horse breeders and the Arizona breeders' award and appreciate efforts to support this industry.

I am concerned that the law does not define "in-state handle," leaving the Department of Gaming and the Division of Racing without appropriate legislative authority to implement this bill.

I look forward to working with this legislature to solve this issue.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor

PROTEST

Mr. Cano rose to a point of protest:

I wish to submit my official protest following comments from the House Floor yesterday that that furthered anti-LGBT rhetoric. Last week, this chamber repealed discriminatory language that was enshrined in our laws for nearly 30 years.

This repeal was a big step forward for all Arizonans, but especially for those who identify as LGBTQ. As we celebrate a new chapter for equity and inclusion throughout Arizona, we must take this progress seriously and never make this advancement a laughing matter.

The language echoed in this chamber yesterday was hurtful and beneath the expectation of how we, as public policy makers, should lead by example and it should never, ever, happen again.

I call on my colleagues to embrace an Arizona that is diverse, beautiful, and inclusive. I wish to submit these comments for the official House Journal.

BUSINESS ON THE SPEAKER'S DESK

A communication from Governor Douglas A. Ducey on disapproval of the following bill was filed:
SB 1141, vetoed April 26, 2019

Dear President Fann:

Today I vetoed SB 1141. In the last week the legislature passed two bills aimed at reducing dangerous driving behaviors. Both of these efforts are well intentioned with the goal of saving lives and making our roads safer. House Bill 2318, which I signed earlier this week, is the preferable policy. The hands-free mobile device policy is narrowly tailored to a specific behavior-using our mobile devices while driving. Data shows that prohibiting this behavior saves lives. I am concerned that Senate Bill 1141 does not give drivers clear direction about what activities are prohibited and how the law will be enforced.

The safety of Arizonians on our roads is of the highest priority to me. House Bill 2318 was an important step to educate drivers and change our habits behind the wheel. I want to continue the conversation around traffic safety, and I remain open to future legislation that addresses distracted driving.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

Tuesday, April 30, 2019 Day

A communication from Governor Douglas A. Ducey on approval of the following bill, with expression of executive intent, was filed:

Re: Senate Bill 1397 (registrar of contractors omnibus)

Dear Secretary Hobbs:

Today, I signed Senate Bill 1397. This bill contains important reforms of Arizona's complex licensing laws for building contractors.

This bill also contains language changing the responsibilities of contractors under the prompt pay statutes. Prompt pay is a powerful tool with an important purpose: to ensure workers are paid on time for delivering on their contractual commitments. However, like anything else, it requires that all parties behave responsibly, and the current law establishes accountability for both consumers and builders. I believe it is important to maintain this balance.

My expectation is that any language to change this balance of responsibilities be construed as narrowly as possible. I have instructed the Registrar of Contractors to monitor implementation of this legislation, to identify remaining issues with this or any other part of the state's prompt pay statutes, and to take any corrective action warranted.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

Dear Speaker Bowers,

Today I vetoed H.B 2596.

I do not see a need for this bill at this time.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

Dear Speaker Bowers,

Today I vetoed S.B. 1164.

Arizona Revised Statutes (A.R.S) § 38-431.06 vests the power to investigate and enforce open meeting law violations with the attorney general and the county attorneys.

There is no evidence suggesting that the attorney general or the county attorneys are not faithfully executing their statutorily mandated duties. These duly elected constitutional officers and I trust they will continue to hold our government accountable. As such this bill is unnecessary.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

PROTEST

Ms. Salman rose to a point of protest and in accordance with Article IV, Part 2, Section 16, Constitution of Arizona, and House Rule 20, the following protest was entered:

On May 2, my colleague Rep. Kirsten Engel delivered the daily prayer. Rep. Engel read a poem by American poet Mary Oliver titled, "Praying." Immediately following the pledge and prayer, Speaker Bowers shared his appreciation for Rep. Engel's prayer through his own personal story.

The Speaker asked if there were any points of personal privilege for the purpose of introducing guests. Rep. Mark Finchem rose to speak (6:25 archived video). The Speaker inquired whether Finchem's comment were more appropriate at the end, to which Finchem stated, "I don't want the National Day of Prayer to escape us." The Speaker allowed Finchem to proceed without an official motion. Finchem stated that, "Whether you want to participate or not, I would ask for a quiet silent prayer since we've already had that piece done on our order of business." This action violated both House Rules 7D & 25B.

Afterwards, I personally asked Rep. Finchem about the purpose of his exercise. He responded that he didn't consider Rep. Engel's prayer sufficient.

I request that the House Rules be followed, and most importantly that the continued impugning, however subtle, of members' non-Christian invocations be denounced and disallowed as per Rule 19.

BUSINESS ON THE SPEAKER'S DESK

A communication from Governor Douglas A. Ducey on disapproval of the following bill was filed:

HB 2473, vetoed May 14, 2019

Dear Speaker Bowers:

Today I vetoed H.B. 2473. This bill adds an extra step to the nomination of one of the seven seats on the State Liquor Board, resulting in inconsistencies in the selection process and creating a new, burdensome hurdle for appointment. We should be focused on reducing red tape, not adding to it.

I am open to discussions to include a municipal representative on the Liquor Board, but adding a new step in the nomination process is unnecessary.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

One hundred twenty first Day

A communication from Governor Douglas A. Ducey on approval of the following bill, with expression of executive intent, was filed:

RE: House Bill 2118 (unauthorized practice; health professions)

Dear Secretary Hobbs:

Today I signed H.B. 2118. The dangers associated with healthcare "imposters" was the focus of a recent investigative series by ABC15. This reporting uncovered a concerning policy gap in protecting consumers. This legislation addresses many of these issues and will help better protect Arizona patients and hold bad actors accountable.

There is still more we can do. In January, I asked for a full account of how all licensing entities address the issue of unlicensed activity to ensure that this behavior cannot exist elsewhere in our system. We will review this information to determine what further action can be taken to protect Arizona consumers.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor
State of Arizona

BUSINESS ON THE SPEAKER'S DESK

A communication from Governor Douglas A. Ducey on approval of the following bill, with expression of executive intent, was filed:

HB 2672, signed May 21, 2019

Re: House Bill 2672 (vacation rentals; short-term rentals; regulation)

Dear Secretary Hobbs:

Today, I signed HB 2672.

In Arizona we respect the right to do what we want with our property without undue government interference. That's why three years ago I signed S.B. 1350 to stop local governments from prohibiting homeowners from renting their homes on platforms like Airbnb and VRBO. That bill also narrowed the scope of permissible short-term rental regulations. Local governments may enforce rules related to building codes, traffic control, noise, zoning, and other areas that ensure that neighborhoods are safe and pleasant places to live.

Most short-term rental homeowners are good neighbors. H.B. 2672 provides a straightforward enforcement mechanism to penalize "party house" operators for not upholding existing laws on their properties.

After solving this important enforcement challenge, I am hopeful that additional legislation regulating short-term rentals will not be needed. My expectation is that this bill will have no impact on most short-term rental homeowners. I am open to corrective action if this law is applied too broadly.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor

HB's 2152, 2466 and SB's 1348, 1533, and 1539 signed May 27, 2019

Monday, May 27, 2019

One hundred thirty-fourth Day

A communication from Governor Douglas A. Ducey on approval of the following bill, with expression of executive intent, was filed:

Re: House Bill 2466 civil action; assault; limitation; applicability

Dear Secretary Hobbs:

Today I signed H.B. 2466.

The pain and trauma suffered by victims of child sexual abuse can never be understated. This legislative session, we heard from many of these victims who have turned this pain into a passion-pursuing justice, accountability for their abusers, and to protect innocent children.

Their stories are heartbreaking. Their work-inspiring.

This we know: victims need time. Time to process, understand what has happened and come forward. And they deserve the right to come forward.

H.B. 2466 is an important first step to providing victims of child sexual abuse with the safety, healing, and justice they deserve. I'm hopeful it will protect innocent children who may otherwise have suffered at the hands of these predators.

I want to thank Senator Boyer, Senator Carter, Representative Blackman and their colleagues for their work on this issue. I know it wasn't easy, but the really important issues rarely are.

Still, more can be done. Our laws for protecting children and young adults who have been sexually abused require evaluation for reform. To end that, I will be establishing The Justice for Victims of Child Sexual Abuse Task Force, which will serve as a statewide collaborative effort dedicated to developing recommendations for actions that can be taken to advance justice for vulnerable citizens of the State of Arizona.

Arizona has been a leader when it comes to victims' rights, and with this bill, we will continue to be a leader on victims' rights.

Sincerely,

/s/DOUGLAS A. DUCEY
Governor

On June 6, 2019 the Governor approved the following with expression of executive intent:

- HB 2758, empowerment scholarships; qualified school

Today, I signed House Bill 2758.

While this is an important and necessary step to ensure that Arizona children on the Navajo Nation have access to the best educational opportunities available to them and their families, this bill is only a temporary remedy for the children and families who currently participate in the scholarship program. The impacted children will be allowed to attend a school that has served them well for years for just one more school year – all the time knowing that they will not be able to continue, unless a permanent solution is enacted.

To that end, I look forward to working with the legislature to pass a permanent fix that will provide certainty and stability to these children, and for all of the Arizona children living in the Navajo Nation as they seek the appropriate educational setting and delivery necessary for their individual learning needs.

Sincerely,
/s/DOUGLAS A. DUCEY

On June 7, 2019 the Governor disapproved the following:

HB 2617, renewable energy storage equipment; valuation

Dear Secretary Hobbs:

Today, I vetoed House Bill 2617. I appreciate Representative Cobb bringing attention to this issue. Our state's energy policy is an important subject, and one I want to work on developing together. However, any tax or policy changes that impact our budget should be done as part of the total budget discussion. For that reason, this proposal should be considered as part of a broader discussion in advance of the next legislative session.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

HB 2677, JLAC; auditor general

Dear Secretary Hobbs,

Today, I vetoed House Bill 2677. I appreciate Representative Kern's efforts to identify fraud, waste, and improper use of public monies.

However, I am concerned this legislation may have unintended consequences.

I remain committed to finding ways to continuously improve government.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

SB 1334, sentencing; repetitive offenders

Dear Secretary Hobbs,

Today, I vetoed Senate Bill 1334. I am concerned with the unintended consequences that may arise from this legislation and the effect these changes would have on victims.

Governor

SB 1558, legislators; mileage rate; distance

Dear Secretary Hobbs,

Today, I vetoed Senate Bill 1558. I respect the Legislator's role as a separate and co-equal branch of government. I also value the work and time commitment that our state lawmakers dedicate to appropriately represent the people who elected them - that includes legislators on both sides of the aisle.

Arizona is the sixth largest state in terms of land area. So for rural legislators and those representing areas outside of Maricopa County, there is a strong case to be made for ensuring we are appropriately recognizing what is required for them to be here at the state Capitol in Phoenix during session. Any change in the per diem rate should also be

prospective, and apply to the next Legislature, which will be sworn in on January 11, 2021, following the 2020 election.

I am open to working with legislators on such a change next session.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

On June 7, 2019 the Governor approved the following with expression of executive intent:

HB 2146, contracts; licensure requirements; exemption

Today, I signed House Bill 2758. I have a record of being open to innovation in business – which is why I signed the FinTech and PropTech Sandbox bills. This bill gives small businesses the same opportunity to innovate before investing the time and money to become fully established.

After this bill reached my desk, I received concerns related to private postsecondary education. I would like to see robust discussions with stakeholders to ensure these concerns are addressed.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

HB 2358, landlord tenant; partial payment; assistance

Today I signed House Bill 2358. House Bill 2358 is important for preserving affordable housing options in Arizona. According to national studies, Arizona's current supply of affordable housing can only meet about one-third of the population's needs. The bill encourages landlords to offer affordable housing and to participate in public housing assistance programs. Importantly, it does not disrupt the rent assistance provided by faith-based organizations, community action agency programs, and non-profit agencies to many Arizona citizens.

I remain committed to finding solutions to address the need for more affordable housing in Arizona.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

SB 1310, earned release credits; drug offenses

Today I signed Senate Bill 1310. The Department of Corrections should be about corrections; this bill reinforces that by encouraging non-violent offenders to seek help and earn their way to an earlier release and a successful second chance.

I am thankful to the stakeholders for working together to bring this broadly supported criminal justice reform bill to my desk. I look forward to further collaboration among the community that acknowledges public safety, while continuing to improve the system.

Sincerely,
/s/DOUGLAS A. DUCEY
Governor
State of Arizona

The Speaker shall take the Chair at the hour to which the House shall have adjourned; immediately call the members to order; cause the roll to be called; and, if a quorum be present, cause the Journal of the proceedings of the last day's sitting to be read, if requested by a majority of the members elected to the House.

B. The Speaker shall preserve order and decorum; decide all points of order subject to an appeal to the House, on which appeal no member shall speak more than once, except by permission of the House; may speak to points of order in preference to other members; and may vote in all cases.

C. The Speaker shall sign all bills, resolutions, memorials, addresses, writs, warrants and subpoenas issued by order of the House.

D. At each session the Speaker shall announce the Order of Business in conformity with Rule 7.

I. The Speaker shall be responsible for authorizing the accounts for the pay, mileage and subsistence of members and employees, and pay them as provided by law.

J. Every bill, resolution and memorial, except death resolutions and Senate bills to be substituted on third reading pursuant to Rule 7 C, shall automatically be assigned to the Rules Committee at the time of assignment to another standing committee without action upon the part of the Speaker.

RULE 6

ROLL CALL, QUORUM, CALL OF THE HOUSE

A. E. A motion or demand for a Call of the House is not debatable or amendable and may not be laid on the table, postponed, referred to committee or have other subsidiary motions applied to it.

F. When no quorum is present, a Call of the House takes precedence over all other motions. Any member may raise the question of no quorum; and if a quorum is not present, the House must either order a Call of the House, recess or adjourn. The motion for a Call of the House is agreed to by a majority of those voting, but may not be ordered by less than 10 members including the Speaker.

F. When multiple legislative sessions are held on one legislative day, the Prayer and the Pledge of Allegiance under the Order of Business in subsection A of this rule are required to be followed only for the first session of that day.

RULE 8

BILLS, RESOLUTIONS, MEMORIALS, ENGROSSED COPIES,

A. Every bill, resolution and memorial shall be read by sections on three different days, unless in case of emergency, two-thirds of the House deem it expedient to dispense with this Rule. The vote on Third Reading and Final Passage of any bill, resolution or memorial shall be taken by ayes and nays on roll call. Final Passage shall be the final disposition of a bill by the House (refer to Arizona Constitution, Article IV, Part 2, Section 12).

B. Bills, resolutions and memorials may be introduced by a member by presenting copies of such bill, resolution or memorial to the office of the Chief Clerk. The Chief Clerk shall have 24 hours to process such bill, resolution or memorial preceding the day of actual introduction. The

A bill introduced in the House may be cosponsored by Senate members. A measure shall only have one prime sponsor; all others shall be designated as cosponsors. A House member's cosponsorship may be withdrawn by that member from any House measure that is in possession of the house. Cosponsorship withdrawal is irrevocable. Following an effective withdrawal of cosponsorship of the measure, the member shall not be identified as a sponsor of the measure on any subsequent calendars, agendas, reports, orders or other publications of the House. Withdrawal of cosponsorship shall be effective if all of the following apply:

1. The member gives a written statement of withdrawal in the form prescribed by the Chief Clerk, delivering the statement to the office of the Chief Clerk and a copy to the Engrossing Clerk.

2. The measure has not been brought for a vote on Third Reading of Bills.

C. Bills, resolutions and memorials may be introduced during the first 29 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee. Every bill, resolution or memorial shall have one prime sponsor. A member may not be the prime sponsor of more than seven bills introduced after 5:00 p.m. on the fourth day of each regular session. For purposes of this Rule the first name on a bill shall be considered the prime sponsor.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the filing of the certification of election until the first day of the regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's proclamation until the first day of the special session, such bills being germane to the call.

E. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this Rule shall be deemed to have been actually introduced on the first day of each regular or special session.

F. Bills, resolutions and memorials accepted for introduction shall be entered in the Journal by the Chief Clerk.

G. The original of a bill, resolution or memorial shall be designated by blue backing, marked "original" and shall remain in the possession of the Chief Clerk. Copies shall be distributed as the Speaker directs.

H. All bills prepared for introduction which propose to add to the statutes or amend existing statutes shall show the proposed new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case) lined through.

I. On First Reading of bills, resolutions or memorials, the measure shall be referred to the Chief Clerk for printing. The Speaker shall determine the number of bills, resolutions or memorials to be duplicated.

J. On First Reading, all bills, resolutions or memorials shall be referred by the Speaker or the Speaker's designee to appropriate committees. Each committee shall report each measure it carefully considers back to the House with such recommendations as may be deemed proper. All amendments proposed by the committee shall be separately reported. If the Speaker designates his referral authority pursuant to this rule to any member of the House other than the Speaker Pro

Tempore the designation shall be in writing, state the period of time for which it is effective, and be filed in advance with the Chief Clerk.

K. When the first committee reports the measure to the House, the Speaker places it on the House Calendar (Inactive Calendar). When the last committee to which the measure was referred reports to the House, it is the property of the Committee on Rules, which considers the measure. The Speaker sets the order of the measures on the Active Calendar for the consideration of the Committee of the Whole.

L. The Speaker may direct that any bill be second read at the time of its consideration by the Committee of the Whole or on any day prior thereto.

M. When the Committee of the Whole has completed its deliberations, it is dissolved and reports to the House. By motion, the report of the Committee of the Whole is adopted by the House (or amended) and the Speaker properly assigns the House measures (or amended Senate measures) to be engrossed for Third Reading.

N. The original and two copies of each engrossed measure shall be on paper of durable quality and shall be stamped on each page thereof with the blind embossed stamp of the House. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original House engrossed House bill shall have a green backing. The original House engrossed Senate bill shall have an orange backing.

O. The engrossed measure shall not be subject to amendment on Third Reading or Final Passage of the measure.

P. The House shall provide the Senate and the Legislative Council with sufficient copies of each amended engrossed House measure on green paper with a cover page. For unamended House measures the same number of green cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

Q. All bills, resolutions, memorials and engrossed measures shall be line-numbered, and such numbering shall begin with the enacting clause. Uniform sized paper, 8-1/2" x 11", shall be used. All paper and ink used by the House for the purpose of permanent records shall be of durable quality.

R. Amendments shall have uniform headings and shall read "amendment to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines ... through ...". If everything after the enacting clause is stricken, the amendment shall read "strike everything after the enacting clause". All amendments shall contain the language which states "amend title to conform". Substantive floor amendments shall be printed and placed on each member's desk a reasonable time prior to Committee of the Whole unless previously distributed. Substantive proposed amendments shall be reviewed for constitutionality and approved as to proper form by House Rules Counsel or other qualified personnel designated by the Speaker prior to presentation in all committees, including Committee of the Whole and conference committees.

S. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by at least 5:00 p.m. on the second previous working day, excluding Saturday, Sundays and holidays, in advance of the committee meeting at which the amendment is to be considered by delivering a draft of the proposed amendment to the office or the secretary of each member of the committee, posting such

notice at the Information Desk and leaving a copy of the draft in the office of the Chief Clerk. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising disagreements or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material. A Free Conference Committee shall not take final action on a Free Conference Committee report to a House measure unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A copy of each Conference Committee report shall be placed on each member's desk or delivered electronically a reasonable time before consideration of the report. Any member may request, and the Speaker shall grant, a one-time delay per measure of up to 24 hours prior to adoption of the Conference Committee report. Adopted conference reports and the House bills to which they pertain shall be referred for engrossing, and the bill after being engrossed shall be placed on Final Passage.

E. Except as provided herein, Conference Committees shall consider all bills prior to the Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No Conference Committee shall meet to consider a bill after such time without the written permission of the Speaker.

RULE 18

DECORUM AND DEBATE

A. When a member desires to speak in debate or deliver any matter to the House, or make a motion, he shall rise and address himself to the Chair, and on being recognized may address the House. He shall confine himself to the question and avoid personalities. No member shall impeach or impugn motives of any other member's argument or vote.

B. When a measure is presented for consideration to the House or in Committee of the Whole, the sponsor of such measure shall be entitled to recognition to open and close the debate. In his absence another member shall be designated to open and close debate on the measure.

C. When two or more members rise, the Chair shall name the member who is to speak; but in all cases the member who shall first rise and address the Chair shall speak first.

D. No member shall interrupt another while speaking except to call to order, to correct a mistake or to move the previous question.

E. The sponsor of a measure or the designee shall have three minutes to comment at the opening and three minutes to comment at the closing of debate on an original motion or question except as further provided in this Rule. No other member shall comment more than three minutes in favor of or in opposition to any motion, question or each amendment to the motion or question except as further provided in this Rule. All comments and questions must be relevant to the motion or question.

F. A member shall have three minutes to comment at the opening and three minutes to comment at the closing of debate on any amendment proposed by the member to the original motion or question except as further provided in this Rule.

G. No member other than the member who opens and closes the debate shall comment more than once on any motion, question or each amendment to the motion or question, nor more than the time limits for speaking as provided in this Rule, unless a member desiring to speak more than once, or more than the time limits for speaking is accorded the privilege without objection or upon a motion supported by two-thirds of the members elected to the House.

H. Questions shall be confined to one minute and must be relevant to the motion or question. A member who has been asked a question shall have three minutes to respond.

RULE 19

IMPERMISSIBLE DEBATE

A. No member shall be permitted to indulge in personalities, use language personally offensive, arraign motives of members, charge deliberate misrepresentation or use language tending to hold a member of the House or Senate up to contempt.

B. If any member be called to order for words spoken in debate, the member calling him to order shall repeat the words excepted to; and they shall be taken down in writing at the Chief Clerk's desk and read aloud to the House, but he shall not be held to answer or be subject to the censure of the House therefor if further debate or other business has intervened.

C. If any member, in speaking or otherwise, transgresses the Rules of the House, the Speaker shall, or any member may call him to order, in which case he shall immediately sit down unless permitted to explain; and the House shall, if appealed to, decide the case without debate. If the decision is in favor of the member called to order, he shall be at liberty to proceed, but not otherwise; and, if the case requires it, he shall be liable to censure or such punishment as the House may deem proper.

D. There shall be no debate at the Third Reading or Final Passage of a bill except by a two-thirds vote of the members elected to the House.

RULE 20

PROTEST

A. Any member shall have the right to protest and have the reasons of his protest entered in the Journal (Arizona Constitution, Article IV, Part 2, Section 16) subject to provisions of paragraph B of this Rule. Any member rising to speak on protest shall be allowed to speak for a period not to exceed three minutes.

B. The protest of any member, not exceeding 200 words, may be entered in the Journal; but the language thereof shall impute no unworthy motive to any other House or Senate member nor transgress the Rules of the House relating to language used in debate.

RULE 21

MOTIONS

A. When a motion has been made, the Speaker shall state it or if it be in writing cause it to be read aloud by the Chief Clerk before being debated. It shall then be in possession of the House, but may be withdrawn at any time before debate begins or amendment is offered. No motion shall be recognized without the member rising and addressing the Chair.

B. All motions shall be reduced to writing, if requested by the presiding officer or by a member, and shall be entered in the Journal with the name of the member making it, and shall be read before the same shall be debated.

C. No dilatory motion shall be entertained by the Speaker or Chairman.

D. "Privileged Questions" are a class of motions which have the highest precedence.

E. When the question is under debate, no motion shall be received but:

	Debatable	Amendable	Majority Vote
1. To adjourn	NO	NO	YES
2. To take a recess	NO	YES	YES
3. To lay on the table	NO	NO	YES
4. For the previous question	NO	NO	YES
5. To postpone to a time certain	YES	YES	YES
6. To commit, refer or recommit	YES	YES	YES
7. To amend	YES	YES	YES
8. To amend an amendment.	YES	NO	YES
9. To offer a substitute amendment	YES	YES	YES
10. To amend a substitute amendment	YES	YES	YES

These several motions shall have precedence in the foregoing order, and no motion to postpone to a time certain or to refer, being the same day at the same stage of the question decided, shall again be allowed on the motion.

RULE 22

PREVIOUS QUESTION

A. The previous question shall be put in the following form: "Those in favor of ordering the previous question will vote aye; those opposed will vote nay".

B. The motion for the previous question, when agreed to, has the effect of cutting off all debate and bringing the House to a direct vote upon pending amendments, if any, in their order, and then upon the main question, except that after the previous question has been ordered, each side shall be allowed three minutes, the affirmative closing the debate.

C. When the member entitled to speak under this Rule is absent, the member first in order upon the committee reporting the measure, who is present and joined in the report, shall have the right to occupy such time.

D. After the previous question has been ordered on the passage of a measure, one motion to recommit shall be in order. The previous question is not debatable or amendable and requires a majority of those voting.

RULE 23

RECONSIDERATION

A. When a motion has been made and carried or lost, it shall be in order for any member who voted with the prevailing side, on the same day or the next day of actual session thereafter, to move for the reconsideration thereof at a time not to exceed fourteen days; and such motion shall not be amended and shall be immediately disposed of. Such motion shall take precedence of all other questions except a motion to adjourn or the consideration of a conference report.

B. The motion to reconsider is adopted by an affirmative vote of a majority of those voting, even when the vote reconsidered is on a matter that requires two-thirds or more of those voting for affirmative action. On motion to reconsider, the ayes and nays having been acted on, another motion to reconsider is not in order.

C. No bill, resolution, memorial or petition referred to a committee shall be brought back into the House on a motion to reconsider.

D. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the House and has been committed to the Senate, the motion to reconsider shall be accompanied by a motion to request the Senate to return the same, which last motion shall be acted upon immediately, and if determined in the negative shall be a final disposition of the motion to reconsider.

RULE 24**DIVISION OF QUESTION**

RULE 25**PRIVILEGE OF THE HOUSE, PERSONAL PRIVILEGE**

B. "Questions of Privilege" shall be:

1. "Privilege of the House" which affects the rights of the House collectively, its safety, dignity and integrity of its proceedings and has the highest precedence.

2. "Personal Privilege" which relates to the rights, reputation and conduct of members individually, in their respective capacity only; and shall have precedence of all other questions except motion to adjourn and except as provided in Rule 7. Any member rising to a point of personal privilege upon being recognized shall first state the point and shall be allowed to speak for a period not to exceed three minutes. All points of personal privilege shall be made at the conclusion of the order of business, unless otherwise directed by the speaker, but points of personal privilege to introduce guests that are confined to one minute may be made at the commencement of each day during the legislative session.

Any press representative desiring admission to the press gallery shall make application to the Speaker for a pass and shall accompany such application with a statement of the facts of his press connections, and with a request by the newspaper or newsgathering organization with which he is connected for such pass. Passes shall not be issued to more than four representatives of one

newspaper or newsgathering organization, and not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other newspaper or newsgathering organization.

1. Intentionally solicit, accept or agree to accept from any source, whether directly or indirectly and whether by himself or through any other person, any personal financial benefit, including any gift for himself or another, upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.
